

## **Voluntary/Suggested Student School Supply List – 2009-2010**

If you are like most parents, every September, your child anxiously asks you to take them to the store to purchase school supplies. Often what is attractive to children, may be expensive and not necessarily needed at school. To help alleviate this problem, grade level suggestion lists follow.

Please be assured that should the purchase of these items pose a problem for your family, the school will provide them.

In addition to saving the school money, children are generally more protective of items they own.

***EACH STUDENT brings a Back Pack – clearly labeled w/ Name and Room #/Teacher***
