

SILVERADO HIGH SCHOOL

CODE OF CONDUCT

I believe:

Pursuing my learning at Silverado provides a change and a new beginning in which I may excel.

Being at Silverado provides the opportunity for the attainment of personal education goals and allows me to take charge.

Continuing my education at Silverado is a process that require deliberate, purposeful effort and productivity.

Silverado's program requires respect for other students' right to work, as well as respect for oneself.

The development of worthwhile inter-personal relationships and skills is an important value, including exhibiting respect for others and their property; also the school's property.

To retain human dignity and integrity, all school tests and assignments claimed by me will be my own ideas and accomplishment, and work stated as completed will be done in its entirety.

District Code - 1st Offense – Fail test/assignment/project / notify parent

2nd Offense – Fail class / notify parent

A positive attitude and good behavior exhibiting self-responsibility and self-discipline is necessary for me to exhibit and earn staff and peer respect (abide by school expectations).

Therefore, I commit to fulfilling this Code of Conduct realizing that I am capable of being a responsible individual with the ability and courage to make the best choices for my well-being, particularly my education.
