GUIDANCE

There is an exciting new opportunity for students to start their college and career path early! We have partnered with Saddleback Community College for students to begin working on their Certificate of Achievement in one of two pathways: Business or Computer Information

Management (CYBERSECURITY). This means that students can simultaneously work towards completing both high school graduation and college certificate requirements. All classes are conducted online.

The second ECP cohort starts next Fall! For more information on this opportunity visit our website and complete the interest application by April 1st. Completing the interest application ensures you will be invited to the informational webinar happening in April. [FLYER](#)
