## MEET THE TEAM

### MS. O'REILLY

I joined SVUSD in 2002 as an Instructional Assistant in the IBI program. Working with Autistic preschoolers was the most rewarding job that I have done. Even though it was not always easy, to see the growth in the students made it all worth it. I became part of the Charger family in 2015 as a Secretary for Guidance and Curriculum. Education is an important aspect of life. We are constantly learning new and different life skills. I have continued my education at Saddleback College for personal and professional growth. Learning and trying to keep up with technology is an interest of mine.

### MRS. ROSEN

Hello Chargers! My name is Debra Rosen, and I am the Student Service Technician for students with the last names beginning with H-O. Last spring, I worked at El Toro and had the opportunity to return to El Toro this February. It's wonderful to be a part of the Charger Family! I enjoy coaching soccer, hiking, playing with my dog, and hanging out with my friends and my husband, 18-year-old son and 20-year-old daughter.
