

EARLY COLLEGE PATHWAYS

BE COLLEGE & CAREER READY

Through a partnership with Saddleback College, SVUSD Virtual Academy is pleased to offer dual enrollment starting in Fall **2021!**

- FREE COLLEGE COURSES!!
- Classes taught on-line during your regular high school schedule
- Access to college student support services
- Receive high school and college credit for the same class
- Complete a certificate and progress towards a degree while still in high school
- Complete high school diploma
- Start your college and career path early!

Two rewarding career pathways to choose from:

- **Business-**
Designed to introduce the practices and technical skills that will open doors to Business, Law, Accounting, Real Estate, and other careers that drive the global economies of today and tomorrow.
- **Cybersecurity (Computer Information Management) -**
Provides the opportunity to master the necessary computer information security concepts to implement safe, secure digital systems and also the ability detect and repair various cyberattacks.
