*Crystal Turner, Ed.D.
Superintendent*

Hello Charger Families,

We hope this letter finds you and your family well. As we are all aware, we are experiencing a unique and unprecedented time. We want you to know we are all in this together and it's our goal to connect with you and to continue to support you during this time.

School counselors will continue to be available to support students with academic and college & career planning needs while students are engaged in school through distance learning. We also know that during this time of uncertainty, social emotional needs may spike. To help with this, we have created different modes of connecting with us such as Google Voice and Zoom. Virtual counseling sessions for academic or social-emotional needs will be available for students during the traditional school hours of 8am- 4pm, Monday through Friday. You can also email your counselor at the email listed below.

Please click [here](#) or check out our up-to-date resources under the [Stay in the Know during Distance Learning](#) section on the El Toro High School Guidance website. Also follow us on Instagram

If you would like information, resources or support with non-emergency mental health concerns please [click here](#).

Remember, we are a **Charger Family** and we are going to get through this together.

Stay safe and healthy,

The ETHS Guidance Team
