***We will be unable to process your registration without the documents listed above. Student and Parent must both attend the registration session. Please review the following prior to your enrollment appointment:***

First, become informed about our programs and course offerings:

1. Visit our Showcase page [here](#) (or by visiting [svusd.org/eths](http://svusd.org/eths) > Resources > Hybrid and Distance Learning) to view short videos about all that ETHS has to offer.
2. Read through the appropriate grade level Registration Packet [available here](#) (or by visiting [svusd.org/eths](http://svusd.org/eths) > Guidance > ETHS Registration) to learn about our courses and programs.

Second, register for your courses

1. For students new to SVUSD/ETHS to register for classes, ignore the registration directions in the Registration Packet (because the spring registration window for current students is no longer relevant) and instead just print and fill in the last page of the Registration Packet
2. Contact your Guidance SST (Guidance Directory is [here](#) or by visiting [svusd.org/eths](http://svusd.org/eths) > Guidance > Counseling and Guidance Staff) regarding registering for classes.
