## Mission Viejo High School National Honor Society Leadership Application

Dear Teacher,

This student is running for a leadership position with the National Honor Society. As you may be aware, NHS is a prestigious club that focuses on academics and community service. Members are required to meet a minimum UC GPA of 3.6, and complete at least 30 community service hours PRIOR to becoming a member. Once a member, they must then complete at least 10 community service hours each semester, as well as partake in two club community service project per semester. Additionally, members must volunteer at least twice per semester for tutoring during tutorial or after school.

NHS is based upon 4 "Pillars": Service, Academics, Leadership and Character. Although all members take a pledge to uphold and represent these values, leaders must exemplify these traits and serve as role models for the club's members.

Please give each candidate a rating of 1-5 (5 being the highest) for EACH of the 4 core values. I would also appreciate any additional comments that you think would be relevant in the consideration of this person as an officer for NHS, whether they be positive or negative. Please return the evaluation forms to me (room 530) or to my box.

Thank you for your time,

Brian Tickler
