#### *Message from Mrs. Osborne*

Welcome to our Spring Newsletter! It was just four months ago that I wished you a wonderful holiday season and now it is May 1<sup>st</sup>! The month of May on a high school campus is busy, to say the least, but as I visit many classrooms and talk to students I am continually impressed by their commitment, character, and hard work. I love to see their participation in classes and their friendly hellos as I walk around campus. We have exceptional students at MVHS. We recently finished CAASPP state testing and I am pleased to share that 99% of the junior class took the Science, English, and Math tests. Thank you to our outstanding students for their efforts on these state tests. Good luck to our International Baccalaureate (IB) and Advanced Placement (AP) students as they begin weeks of rigorous exams.

We are excited to hear about the future college and career plans of the senior class; please encourage your senior student to complete their [Senior Survey](#). In extra-curricular news, the choral program performed at Carnegie Hall in New York City over spring break and Drumline recently finished 16<sup>th</sup> place at the World Championships in Dayton, Ohio. Wind Ensemble won Unanimous Superior at Festival and Orchestra won a Superior at Festival. Students in the Agriscience program attended the State FFA Conference in Anaheim this weekend with 7,000 students from across the United States.

In athletics, the Boys Volleyball team won the Sea View League Title, which is the first volleyball championship in the history of MVHS! Congratulations

to our track and field athletes for their success at the South County League Championships. Good luck to the swim team and all the student-athletes who are CIF Qualifiers as you move forward in competitions.

In addition, I would like

to share with you again our [Diablo Learner Outcomes](#). These learner outcomes are what we expect all students to know and be able to do upon graduation from Mission Viejo High School. There is so much to be proud of at MVHS and many of our students are highlighted throughout this newsletter. It is our goal that all Diablos finish the school year performing at their best, and I value your partnership. For my senior families, I look forward to seeing you at graduation on June 13!

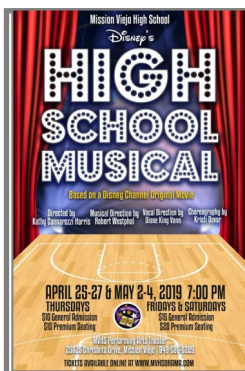

Sincerely,

Tricia Osborne

GO Diablos!
