Dear Mission Viejo High School Parents and Students,

I would like to welcome our new students and families to Mission Viejo High School. Each year, the Mission Viejo High School Student Handbook is updated to include the most current information relating to our school’s policies and procedures. The 2019/20 MVHS Student Handbook contains valuable information about our school and the student behavior standards that we expect from every Diablo.

In order to continue to maintain a safe and orderly environment, it is important that every student and parent/guardian review the handbook, including the sections relating to Student Behavior, Dress Code, Disciplinary Measures, Safety, Academic Honesty, Computer Policies, as well as Attendance Procedures.

The MVHS Student Handbook contains important information regarding the school's Guidance Support Services, Activities Programs, and co-curricular opportunities. In addition, we have included contact information for our staff, district/school calendar and bell schedules. Please thoroughly read the information in this handbook as it will help answer questions that may arise throughout the school year.

I wish our new and returning students a wonderful 2019/20 school year and I look forward to meeting you!

Sincerely,

Mrs. Tricia Osborne
Principal
Mission Viejo High School
Go Diablos!

BEHAVIOR EXPECTATIONS
Saddleback Valley Unified School District (SVUSD) students are held to the highest standards of behavior at all times:
- SVUSD students are to be respectful of themselves and others
- SVUSD students are to be responsible for themselves, their actions, and their healthy choices
- SVUSD students are to be exemplary representatives of themselves, the programs in which they participate, the schools in which they attend, and the greater community in which they thrive.

We believe in a positive approach to behavior intervention and expect students to accept responsibility for their actions and subsequent consequences. SVUSD high schools use demerits to account for detention hours accrued by students for a variety of school rule violations.

Demerits
1 demerit = 1 hour of detention.
Students can remove demerits by serving the assigned consequences through detention, Saturday School, etc. on or before the date assigned. Failure to serve the discipline consequences will result in earning additional demerits and intervention counseling as well as the loss of privileges.

One-Hour Detention
A one (1) hour detention = One (1) demerit earned. One (1) demerit will be removed from the student’s record if the detention is served on or before the date assigned. Failure to serve the detention will result in one (1) additional demerit being assigned.

Two-Hour Detention
A two (2) hour detention assignment = Two (2) demerits earned. Two (2) demerits will be removed from the student’s record if the detention is served on or before the date assigned. Failure to serve the detention will result in two (2) additional demerits being assigned.

Saturday School
A four (4) hour Saturday School assignment = Four (4) demerits earned. Six (6) demerits will be removed from the student’s record if the Saturday school is served on or before the date assigned. Failure to serve the Saturday School will result in the Saturday School being rescheduled and two (2) additional demerits being assigned.

School Service – Students may also recover demerits earned through hours of school service. School service must be coordinated and approved by the Assistant Principal of Supervision prior to being completed. Two (2) demerits will be removed for each hour of school service being completed.

PRIVILEGES PROGRAM
Privileges within SVUSD are defined as, but are not limited to:
1. Dances
2. Field trips
3. On-campus parking
4. Promotion & senior activities
5. Commencement ceremony

Students with six (6) or more demerits will be placed on the loss of privileges list until they have zero (0) TOTAL demerits. Students that are placed on the following contracts will also be on the loss of privileges list and will remain on the list for the duration of the contract term noted below.

Tardy contract. A student is placed on a tardy contract by earning 6 tardies in a single class. The student will be placed on the loss of privileges list when the student reaches the 10th tardy in that class. The student will remain on the loss of privileges list until the end of the semester that the contract is assigned.

Attendance contract. A student is placed on an attendance contract by getting 6 or more single period truancies throughout the school day. The student will be placed on the loss of privileges list when the student reaches 16 total period truancies. A student will remain on the loss of privileges list until the end of the semester that the contract is assigned.

Behavior contract. A student may be placed on a behavioral contract for suspendable offenses and/or inappropriate behavior in a classroom or throughout campus. A student will remain on the loss of privileges list throughout the duration of the contract.

Ethics violation. If a student violates an ethics contract by getting a third ethics violation during their probationary period, the student will be placed on the loss of privileges list for the remainder of the current semester and all of the subsequent semester.

The loss of privileges list will be generated quarterly in conjunction with the co-curricular eligibility cycle. The list will also be updated prior to every school dance (when
In accordance with the State Educational Code, the school district is sincerely dedicated to providing a safe and orderly environment for the entire MVHS community.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs, alcohol, or any form of tobacco/nicotine product, vapor product, or e-cigarette product on District or school premises or as a part of any of its activities or events, regardless of location, is wrong, harmful and strictly prohibited at all times. This includes grounds, public access areas, parking lots, vehicles, etc. All pupils will abide by this prohibition as a condition of attendance. Any violations of District or school standards of conduct, rules and regulations or state or federal laws regarding illicit drugs, alcohol and tobacco/nicotine will be investigated. If the allegations are substantiated, the pupil will be placed on a behavior contract that will prohibit participation in extracurricular activities for a prescribed period of time (with a minimum of 45 schools days) and a possible recommendation for expulsion. Failure to respond to corrective action or repeated violations of drug, alcohol, controlled substance, or dangerous object violations will result in a recommendation for expulsion [EC 48900(b), 48915 (a), 48911, BP 5144.1, AR 5144.1]

Any type of behavior that is motivated by hostility to the victim as a member of a group is considered a hate crime and will not be tolerated. Students are expected to be kind and show respect to others. Depending on the severity of the offense, the student may be counseled, assigned Saturday School, be suspended, and/or recommended for expulsion. In addition, the Orange County Sheriff Department will be called when warranted.

**NON-DISCRIMINATION POLICY**

Parents will be notified. Repeated failure to serve Saturday School may result in off-campus suspension and possible involuntary transfer to continuation school.

SATURDAY SCHOOL – Absence Recovery
With parent permission Saturday School may be used to recover lost funding as a result of a full day student absence. Therefore, the District would like to credit your student’s Saturday School assignment against a previous all-day absence. Unless we are notified otherwise, your receipt of this notification will serve as parental permission for your student to attend Saturday School as an absence “makeup day” in lieu of mandatory attendance for a disciplinary infraction.

C. Intervention Class Program

The SVUSD Acceptable Use Policy (AUP) outlines behavior expectations and consequences for student use of the internet and electronic devices while on the Mission Viejo High School campus. Mission Viejo High School’s policies related to cell phones, electronic devices, internet use, and computer use follow the AUP.

SVUSD ACCEPTABLE USE POLICY (AUP)

Purpose
1. It is the policy of Saddleback Valley Unified School District (SVUSD) to maintain an environment that promotes ethical and responsible conduct in all online network activities by staff and students. This document serves as the guidelines and expectations of all employees, students, and other individuals working within SVUSD with regards to acceptable use of network and online resources.

Responsibilities
User Responsibilities
1. Use of electronic media provided by SVUSD is a privilege that offers a wealth of information and resources for research. In order to maintain the privilege, users agree to learn and comply with all of the provisions of this policy.
2. Users may not use the district Internet system for commercial purposes.

Guidelines
Access to Online Materials
1. The material users may access through the district’s systems should be for educational use only. Use of district systems for entertainment purposes and/or non-academic social media use is strictly prohibited.
2. Users will not use the district systems to access, publish, send, or receive any material in violation of applicable law. 4. When introducing a new software or app to more than one district device, the user, department or site must purchase enough licenses for each device the user adds it to. Legal action may be taken in such cases that an app or software has not been purchased for each device in cases where the license agreement requires it.

**Personal Devices**

Students in possession of cell phones on school grounds that contain inappropriate, violent or pornographic pictures/videos, inappropriate or harassing text messages, or information stored for the purposes of cheating academically will face more serious disciplinary action. ACADEMIC HONESTY
Students of the Saddleback Valley Unified School District are subject to an Academic Honesty Policy which deals with students who cheat on tests or plagiarize assignments. All tests, quizzes, reports, homework, other assignments and any school related test are subject to this policy.

Cheating includes looking at another student’s paper, taking credit for work that is not your own, talking, or using an electronic device during an exam. It also includes using technological means to acquire assistance or provide assistance. Helping another student cheat on an exam, homework or other assignment is also a violation of the Academic Honesty Policy if it has been made clear by the instructor that students are to work on their own and not collaborate.

MAJOR STATE, NATIONAL or INTERNATIONAL EXAMS
A student who violates the Academic Honesty Policy while taking a major state, national, and/or international examination (such as CAASPP, AP, IB, PSAT, SAT, ACT, etc.) jeopardizes the academic reputation, integrity, and future of all other students within the district. Therefore, he/she will receive the following consequences in addition to those outlined in the directions for administration of the specific test. All consequences apply for the semester that the incident occurred plus the following semester or trimester if the student attends Silverado High School or is in intermediate school. SCHOOLWIDE POLICIES & PROCEDURES

COMMUNICATIONS/DELIVERIES TO STUDENTS
In order to maintain an appropriate and uninterrupted learning environment for all students, we will not:
Relay phone messages to students except in the case of an absolute emergency, such as a medical emergency. In such an emergency, the message will be delivered to the student. Please remind students of doctor and other appointments and transportation arrangements before the student leaves home in the morning.

A RESPONSIBLE ADULT LISTED ON THE EMERGENCY CARD MUST COME IN & SIGN THE STUDENT OUT OF SCHOOL. STUDENTS WILL NOT BE RELEASED OVER THE PHONE.
Additionally, we will not make deliveries of items to classrooms. Students may come to the office during breaks or at lunch to pick-up items such as forgotten lunches, etc.
Students may not receive deliveries on campus from vendors (food, flowers, balloons, etc.) The MVHS office staff will not accept such deliveries.

HALL PASSES
Students are expected to be in class during instructional time. If a student needs to be out of the classroom to use the restroom, the student must get permission from the teacher and ask to take the hall pass. During class time, students are not permitted in the restrooms without a hall pass. Students that need to conduct school business in the office (i.e. schedule change, get an early dismissal, re-schedule a Saturday school, etc.) must do so during break, lunch, or after school unless they receive a call slip from the office. The office call slip will serve as the student’s hall pass.

LIBRARY USE
A quiet atmosphere is maintained in the library, making it an ideal place to study, read, do homework, or work on research assignments. Students are to adhere to the following guidelines while in the library or using library resources. Failure to follow these guidelines may result in the loss of library privileges.

General Expectations

- Food, drinks, and gum are not allowed in the library.
- Cell phones & electronic devices should be silenced in the library.
- To access the library during class, students will need to bring a written pass from their teacher and sign in at the circulation desk.

Computers
- Our library is equipped with approximately 40 computers as well as wireless access student use. Each computer station is networked and contains all library applications including our MVHS library catalog, Mission Viejo Public Library Catalog, the Internet and Microsoft Office XP. Students are expected to know and follow the SVUSD Acceptable Use Policy while working on electronic devices and computers inside the library.

Username/Password
- Each student is assigned an individual username and password that allows him or her to save word processing and other web-based curriculum sites to their own document folder. Students may ONLY use their own log-in password.

Text & Library books
- A current student ID card is REQUIRED to check out books.
- Students are responsible for the textbooks checked out to them. Any damage of a textbook or loss of a textbook will be charged to the student. Students must pay for lost textbooks before new books are issued. All textbooks must be returned to the Library by the last day of finals each school year. Books not returned by the last day will be considered “Lost” and must be paid for before registration. SCHOOLWIDE POLICIES & PROCEDURES

TUTORIAL GUIDELINES
MVHS Tutorial program was created to provide students with many intervention opportunities designed to increase academic achievement. It is important to emphasize that “tutorials” can be turned into “Mandatorials”, which are currently used by some teachers. A “Mandatorial” is simply requiring a student to attend a specific tutorial to receive additional help.

Other Specific Tutorial Guidelines
- Tutorials are held Tuesday – Friday each week with the exception of minimum days.
- Teachers hold tutorial for their current students only; exceptions will be announced by individual teachers at their own discretion.
- If your first choice classroom is full you need a back-up plan of where to go just in case this happens. It should not be far from your first choice.
- When the tardy bell rings, campus security and administration will “sweep” students into one of their assigned classes. Students that remain out of class will be taken to the Assistant Principal of Discipline for the rest of tutorial. A lunch detention will be assigned for the first offense and a Saturday School will be assigned for the second offense. These students are considered truant. Any further consequences will result in Saturday school, parent conference, or major dance being taken away.
- Students must sign-in when they get to tutorial.
- PE mile make-ups and study halls are available to current P.E. students only!
- The library is NOT open for tutorial.
- The Career Center may have college or military recruiters during tutorial, so listen to the announcements.
- Group Projects: Ask the teacher who assigned the group project if you can work together in his/her class. Group work can be disruptive to others making up a test or getting help.
- Everyone must be inside during tutorial.
Remember: This is for you! Use this time wisely. Electronic Devices are not to be used during tutorial without the direct permission/instruction of the teacher!

LOCKERS & PERSONAL PROPERTY
Students will be assigned a locker with locker number and combination. Each student should write this information in a safe place. If a student forgets his/her combination, they may come to the reception desk in the main office, WITH THEIR ID CARD, to request a copy of their combination.

DO NOT SHARE YOUR COMBINATION.
Lockers are issued to students as a convenience. The school is not responsible for losses from these lockers. Personal property (backpacks, calculators, etc.) brought to school is done so at the student’s own risk.

Students should avoid bringing large amounts of cash, expensive jewelry or other valuables to school. Laptop computers or other personal property should never be left in lockers overnight or on weekends, or unattended on campus.

Students are encouraged to buy school-issued combination locks for use in the P.E. locker rooms and required to lock up all possessions while in P.E. or athletics! These locks will be available for sale in the Student Store. Students may bring their own lock. If administration finds a need to search a locker, for safety concerns, locks brought from home will be cut off and not replaced by the school.

- Never leave your possessions on top of your P.E. locker.
- Never leave your backpack/possessions/athletic gear unattended or in an unlocked locker.
- Keep all possessions in a locked locker at all times. Do not bring valuables to P.E.!

Mission Viejo High School Is Not Responsible For Lost/Stolen Items.

LOST AND FOUND
Personal items that are found on campus will be taken to the Reception area in the front office. Lost books will be taken to the Library. Items that are not claimed within a reasonable period of time will be donated to charity.

SKATEBOARDS & BIKES
To ensure the safety of students and staff as well as their freedom from distraction, bikes, skateboards, shoes with wheels, in-line skates, etc., are not permitted to be used on campus. Students who ride bikes or skateboards to school ARE NOT PERMITTED TO RIDE THEM ACROSS CAMPUS. Skateboards and bikes must be stored and locked on the racks located by the large gym. Students must provide their own locks, but locks can also be purchased at the student store.

Consequences:
First Offense – The disallowed items will be confiscated. The item may be returned only at the end of the school day.
Second Offense – The item will be confiscated and may be retrieved only by the parent/guardian and a Saturday School will be assigned.
CAMPUS CLEANLINESS
MVHS students are expected to keep the campus clean by picking up after themselves and placing their trash in trash cans. There is no excuse for students littering on campus. Students that refuse to pick up their litter will be considered defiant and will receive additional consequences.

Consequences: Trash pick-up during lunch, Detention, Saturday School or Intervention Class.

PARKING POLICY
In order to maintain safety and to protect the property and lives of our students and staff, the following parking procedures have been established by the Saddleback Valley Unified School District and the MVHS school administration.

3. Students are NOT permitted to park in ANY Faculty/Staff Parking Lot until after 3:00 pm. Vehicles may be towed on the first offense.
4. No parking on any red curbs or adjacent to planters.

11. Bikes and mopeds must be locked and parked in the Bike Rack area located near the large gym. If parked anywhere else on campus, the locks may be cut off and the bikes impounded.
12. Inappropriate use of a vehicle in a school parking lot could result in the loss of parking lot use and privileges. In addition, Saturday School could be assigned.
13. Use of a motor vehicle to harm, attempt to harm, or threaten to harm an individual, another motor vehicle in the school parking lot, or a school facility is an action that will be referred to law enforcement personnel in addition to school administration.
14. Parking permits are required to park on MVHS campus. There is a fee to purchase a parking permit either on a semester or yearly basis. A parking permit does not guarantee a parking space. It only grants the right of the driver to park on the campus. Lost or stolen permits will NOT be reissued and a replacement permit cannot be purchased. Permits are not transferable! Purchasing a permit from another student is not permissible.
15. MVHS Parking Permits do not authorize students to park on permitted residential streets.
16. Hours of enforcement for parking lots will be every school day until 3:00 PM. Parking permits must be displayed and visible while parking in the school parking lot.
17. The upper parking lot, by the stadium will be open parking for all students after lunch, with or without a parking permit.
18. Forgery of parking permits will result in confiscation of forged permit and student will not be allowed to park on campus for one calendar school year.

Please note that students with repeated parking lot violations throughout campus can and will have their cars towed at the owner’s expense.

Consequences
(Students who own an MVHS parking permit):
First Offense – Violation Notice, vehicle may be towed.

Third Offense – The student may be denied district transportation services for two weeks.
Fourth Offense – The student may be denied district transportation services for the remainder of the school year.

Serious offenses that occur on the school bus may be cause for immediate denial of district transportation services and additional discipline consequences.

PRESCRIPTION & NON-PRESCRIPTION MEDICATION

Medical treatment is the responsibility of the parent/guardian and an authorized health care provider. Medication, both Prescription and “OTC” (Over the Counter) may only be given during school hours if it is deemed absolutely necessary by the Health Care Provider.

SCHOOL SAFETY

A comprehensive emergency procedure plan is in place that is practiced on a regular basis to ensure the safety of students and staff in case of fire, earthquake, tsunami or any emergency situation. Copies of this plan are made available to all staff and also to parents and community members.

Mission Viejo High School continues to be one of the safest high school campuses in Orange County. The school has plans for responding to all emergencies. Plans are regularly reviewed and practiced so that students and staff will know what to do when an emergency comes. Additionally, the administration works on a regular basis with the Orange County Sheriff Department to revise plans. During the school year, at weekly administrative meetings, school administrators and the SRO (School Resource Officer) review school safety concerns and issues. Also, the latest pertinent information from the OC Sheriff Department regarding school safety is always reviewed. Safety is of the highest priority on our campus.

DESIGNATED DROP OFF LOCATIONS

If you or your student is picking up or dropping off another student, please do so only at the designated drop off areas. The front parking area (Lot 1) is not a student drop-off or pick-up zone. The only parents who should enter this lot are those who have an appointment in the front office. If you are dropping off inside the school lot area, please pull up to the curb area in front of the gym before stopping to drop off your student. Stopping or parking in a red zone is illegal. If you are dropping off your student along Chrisanta, please remember to look before pulling away from the curb.

Mission Viejo High School has multiple entrance and exit
Please remember that MVHS does not have a “Call-In” attendance system. All absences must be cleared by note per the instructions given in this section.

**Unexcused Absence/Truancy Procedures**

The Saddleback Valley Unified School District utilizes the Student Attendance Review Board (SARB) process to address student attendance. The system below is utilized to notify parents/guardians of students who are excessively absent or truant.

Prior to referring a student and/or family to a SARB Hearing, a counselor will meet with the student and make parent contact as an intervention to address the student’s attendance issue.

If a student reaches the number of unexcused absences/truancy/tardies listed below for reasons other than an excused absence(s)/tardy, the following action will be taken:

**FULL DAY UNEXCUSED ABSENCE/TRUANCY PROCEDURES**

- **3 truancies/unexcused absences/tardies (30 minutes or more)**
  - Student is identified as a truant per Education Code 48260.
  - School site sends Truant Letter 1 to the student’s parent/guardian.
  - Student is assigned Saturday School(s).
  - Student will be referred to a counselor.

- **6 truancies/unexcused absences/tardies (30 minutes or**

Mission Viejo High School believes that regular attendance plays a key role in student achievement and recognizes its responsibility under the law to ensure that students attend school regularly. Mission Viejo High School shall abide by all state attendance laws and may use appropriate legal means to correct the problems of excessive absence or truancy. [AR 5113]

**IRREGULAR ATTENDANCE**

Irregular attendance is one of the major constraints in maintaining a quality educational program for high school students. There is no more important variable than time spent on task in the classroom under the guidance of a professional educator. Attendance is taken every day in every classroom and students are required to be to class on time.

Improving student attendance and reducing the dropout rate is a District priority. Pursuant to EC 48200, every child from the age of 6 to 18 in the District is required to attend school regularly, unless otherwise provided by law in order to make a successful transition to the next grade level and to graduate with a high school diploma. All enrolled students, regardless of age, will be held to the same District school attendance rules. The Saddleback Valley Unified School District Board of Education recognizes that a vigilant supervision of attendance to improve attendance rates and graduation rates and to reduce truancy and dropout rates is vital to the learning and achievement of all children. Alternative Education follows a different calendar from the Comprehensive High Schools, and the following policies will be tailored to fit the alternative situation.
ATTENDANCE POLICIES & PROCEDURES

more)
- Student is identified as a habitual truant.
- School site sends Truant Letter 2 to the student’s parent/guardian.
- Student is assigned Saturday School(s).
- School site contacts parent via phone to discuss the absences and/or truancies.
- The student and parent are informed that they will be required to attend a Parent/DA Meeting and may be referred to SARB.

10 truancies/unexcused absences/tardies (30 minutes or more)
- The school site sends out Truant Letter 3 to the student’s parent/guardian inviting the parent to a meeting at the school site and to spend the day with their student on campus.
- The site administrator has the parent/student sign a school site attendance contract and informs them of the potential of the SARB Process and Administrative Regulation 5113 that indicates students who are absent more than 14 days of school must provide a doctor’s note for every absence.
- The site administrator informs the student that they will be required to attend a Parent/DA Meeting (if they have not already done so) and may be referred to SARB if the truancies/unexcused absences continue.

Beyond 10 truancies/unexcused absences/tardies (30 minutes or more)
- Students who fail to correct the problem and continue to have truancies or unexcused absences will be referred to a SARB Hearing. SARB Hearings are held at the Orange County Sheriff’s Department Substation and comprise of a representatives from Orange County Social Services Agency, Orange County Sheriff’s Department, Orange County Probation Department and school site and district representatives.
- As a result of the SARB Hearing, the district may choose to file with the Orange County District Attorney or Probation against the student, the parent/guardian or both.

UNEXCUSED TARDY PROCEDURES
(7th–12th Grade)

Tardies accumulated per period, per semester/trimester

A student who is not in his/her assigned seat when the tardy bell rings is considered tardy. After 30 minutes, a student is considered tardy truant and must check in at the Attendance Office and receive a Re-admit Slip before going to class.
ATTENDANCE POLICIES & PROCEDURES

NOTE: Tardies are only excused due to an illness or medical appointment.

It is a reasonable expectation that in order for learning to take place, students must arrive to class on time. Students who continually do not meet this expectation are considered to be in defiance of authority. To help ensure that students arrive to all classes punctually, the following procedures have been established. These procedures are for unexcused tardies and directly involve the student, parent/guardian, teacher, and administration. Tardies are recorded every day in every class period.

Tardy 1-2:
• Teacher gives warning and notifies student of first and second tardy.

Tardy 3:
• Teacher notifies student of third tardy.
• Teacher assigns a detention and contacts parent.

Tardy 4-5:
• Teacher notifies student of fourth and fifth tardy.

Tardy 6:
• Teacher notifies the student of the sixth tardy.
• Teacher notifies the discipline office of the sixth tardy.
• Administrator assigns Saturday School and places student on a Tardy Contract which states the student may lose privileges if tardies continue.
• Parent/guardian is notified of the contract and terms.

Tardy 7-9:
• Teacher notifies student of seventh, eighth, ninth tardy.

Tardy 10:
• Teacher notifies discipline office of 10th tardy.
• Parent/guardian notified of loss of privileges.

In addition to the above tardy policy, MVHS has implemented Tardy Sweeps. Randomly, music will be played over the P.A. system halfway through a passing period. This alerts students that we will be in a Tardy Sweep when the bell rings. Teachers will lock their doors when the bell rings to begin class. Any student who is not inside their class when the bell rings will be escorted to the Little theater. On the 1st offense a student will be assigned a lunch detention. On the 2nd offense a student will be assigned a Saturday School. Any further violations will result in additional Saturday Schools and a parent conference with an administrator.

Students who continue to have tardies may be referred to a meeting with the Orange County District Attorney as an intervention step. If there are further tardies, a student may be referred to a SARB Hearing for remediation.

IMPORTANT MVHS ATTENDANCE REMINDERS

ATTENDANCE OFFICE
MVHS Attendance Office is open from 6:30 a.m. to 3:00 p.m. Students who are arriving back to campus after an absence should plan on arriving at the Attendance Office windows early to avoid lines. All absences resulting from a doctor or dental appointment, must be verified by the doctor or dental office (i.e., doctor’s stamp). Court appearances also must be verified by a court stamp.

HOW TO CLEAR AN ABSENCE
All absences from class must be cleared through the Attendance Office. To clear an absence the student must submit a note within three (3) school days of returning back to school. The note must be handwritten (not typed), in ink (not pencil), by the parent/guardian. The note must be signed by the parent/guardian and include the student’s name, date of absence, and reason for the absence.

If the parents/guardians are going out of town and leaving their student(s) in school, the Attendance Office must be informed in writing as to who will be in charge of the student while the parent is away.

Failure to clear the absence within three (3) school days will result in truancy.

Students who arrive at the attendance office after the tardy bell has rung, for any period, will be issued a tardy by their teacher. Clearing an absence is not an acceptable reason for being tardy to class.

READMITS
Students will be given an excused or truant “readmit” when checking in with the attendance office following an absence. The "readmit" slip, which the student receives, must be presented to the teacher of each class missed.

An excused readmit will be given to students who present a valid note when clearing an absence. A truant readmit will be given to students who do NOT bring a valid note when reporting to the

(Continued on page 23)
Attendance Office after an absence. Students have three (3) school days to clear the truancy with a valid note. If the absence is not cleared, the truancy will stand and a discipline consequence will follow.

A student who loses their readmit and requests a duplicate will be assigned a detention by the Attendance Office.

FORGERY
Notes that are written in student’s hand, even with parent permission, are considered a forgery. A student who has forged a note to obtain a readmit may clear future absences ONLY by having the parent/guardian telephone the attendance clerk by 10:00 A.M. on the DAY OF ABSENCE ONLY. This consequence is called NO-NOTES and will be applied to the student for the remainder of the school year.

EXCESSIVE ABSENCES
When a student has reached 14 absences, a doctor’s note will be required to excuse all further absences. If a student does not provide a doctor’s note, absences will be unexcused and the student may not be able to make-up missed assignments, tests, projects, etc. (See Full Day Unexcused Absence/Truancy Procedures).

EARLY DISMISSALS
By Parent Request:
All students must check out through the Attendance Office anytime they leave campus even if their parents have given them PRIOR permission to come home. All early dismissal requests require a note from a parent/guardian before the dismissal slip is issued. The request for early dismissals must be turned-in to the Attendance Office as soon as you arrive to school so they will be processed prior to leaving. Students are not permitted to leave class to pick-up their early dismissal slip. No early dismissals will be issued over the phone.

Due to Illness/Injury:
In the case of illness/injury during the day, students must come to the Attendance or Health Office to contact a parent/guardian and arrange for pick-up.

• Failure to obtain an early dismissal will result in the student being marked truant from any missed classes.

• If the student fails to follow the early dismissal guidelines outlined above, a note will not be accepted after the fact.

• NO student may leave campus during the school day without Administrative permission.

• Parents MAY NOT excuse students after the fact.

• Parents/Guardians MUST show ID to check-out student(s) during the school day.

**PARENTS of JUNIORS/SENIORS - PLEASE READ THE FOLLOWING CAREFULLY**

JUNIORS & SENIORS
• Juniors & Seniors must show current Student ID Cards in order to leave campus at lunch (no exceptions).
• Juniors & Seniors who leave campus at lunch and intend to stay off campus must:
  • Sign out through the Attendance Office during the lunch period & bring a note from your parent/guardian the following day to clear the absence.
• Juniors & Seniors who leave campus at lunch time and then decide to stay home for any reason must:
  • Contact the Attendance Office between 1:00 P.M. and 3:00 P.M. on the day of the absence.
  • Bring a note from your parent/guardian the following day.
  • If the Attendance office is not notified on the day of the absence, a truant will be issued regardless of the note.

COLLEGE VISITS
Upon advance written request by the parent/guardian and the approval of the Assistant Principal, a college visit may be considered an excused absence. Students are permitted up to five (5) college visits during their junior or senior year of high school.

Please include the following in your written (and signed) request:
• Name of student
• Dates of college visit
• Name of college/university your student will be visiting.

INDEPENDENT STUDY CONTRACTS
When a student has advanced knowledge of a 5-day or more absence from school, he/she should obtain an Independent Study Contract from the Attendance Office. The student must bring a note from the parent/guardian to the Attendance Office at least two (2) weeks prior to the
ATTENDANCE POLICIES & PROCEDURES

(Continued from page 23)

absence.

- Upon request, the student will be given the Independent Study Contract forms to be completed by his/her teachers.
- Once the student obtains all their homework assignments and signatures of their teachers, they must return the forms to the Attendance Office BEFORE THE ABSENCE BEGINS or the absence will be unexcused.
- After the absence, the student must return to the Attendance Office for a readmit and further instructions required to complete the contract. At that time the student will be told:
  - To turn in all of their completed work to his/her teachers.
  - Collect a graded, signed, and dated piece of work from each of his/her teachers and return it to the Attendance Office within one (1) week of returning back to school.

The student will receive unexcused absences for each of the Independent Study dates UNLESS this entire process is completed.

CO-CURRICULAR PARTICIPATION
All students who participate in co-curricular activities, including athletics and the arts, must attend at least 4-hours of school each day in order to compete in that same day’s activity/game.

EXTRACURRICULAR PARTICIPATION REQUIREMENTS
Poor attendance or excessive discipline problems may restrict participation in extracurricular activities including dances and special events.

GUIDELINES FOR MAKE-UP WORK FOLLOWING AN ABSENCE:
Students who miss schoolwork because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided.

As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time. (Education Code 48205) Students who miss schoolwork because of unexcused absences may be given the opportunity to make up missed work for full or reduced credit. Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure.

- Students shall be allowed to complete all assignments and tests missed because of an excused absence which can reasonably be provided. This includes Independent Study Contracts.
- At the discretion of the classroom teacher, students may be allowed to complete schoolwork missed during an unexcused absence.
- Students will not be allowed to makeup work missed during a truancy.

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the suspension. (Education Code 48913)

- The student has the responsibility to make arrangements with the classroom teacher for makeup work.
- Upon parent request, the classroom teacher will provide information on makeup assignments during the student’s absence in a reasonable and timely manner.

The teacher will use the following makeup schedule in determining the minimal amount of time the student will be allowed for makeup assignments:

- Work Assigned or Tests Given During an Absence: A student will be allowed two (2) days for each day of absence to make up assignments and/or tests given during the period of absence. However, the student whose first day of absence is the day of the test will take the test on the day he/she returns to class. Additional time may be given at the classroom teacher’s discretion.

- Work Assigned Prior to an Absence: Assignments given prior to an absence will be given no additional time but are due on the day the student returns to class. The exception to this rule is the high school long-term project which will be due on the original due date when advance notice of the due date has been given by the classroom teacher. Additional time may be given at the classroom teacher’s discretion.

- Lab Practicum Missed During an Absence: Classroom lab-type activity assignments shall be made up through individual arrangement with the classroom teacher. Arrangements for a makeup activity shall be made within two (2) days of a student’s return to school.

CLOSED CAMPUS
Students are to remain on campus at all times with the exception of the lunch privileges for upperclassmen.

Juniors and Seniors may only leave campus at lunch if their behavior remains acceptable and they show their current student ID when leaving campus each and every time.

Freshmen and Sophomores are NOT allowed to leave campus at lunch or any other time during the school day.

Any junior or senior who takes a freshman or sophomore off campus at lunch will receive a Saturday School.

Consequences for leaving campus without permission:
First Offense – Lunch Detention & parent contact
Second Offense – Saturday School & parent contact
Third Offense – Intervention Class & parent contact
GUIDANCE

STUDENT SUPPORT SERVICES
Mission Viejo High School is an exceptional school with many opportunities available for students. The MVHS Counseling and Guidance Staff makes it top priority to serve the various counseling needs of each individual student. MVHS uses the following structure to best serve our students:

Student Services Technicians - Each student is assigned alphabetically by their last name to a Student Services Technician (SST) who is primarily responsible for enrolling students, setting up his/her class schedule, and tracking students’ graduation requirements and college entrance requirements. The SST will usually remain with the student for the entire four years and will monitor his/her personal and academic progress.

School Counselors - There are five full-time, fully credentialed School Counselors. They support students with their academic, career and social/emotional growth throughout high school. School Counselors address college and career planning, including applying for college and scholarships, crisis intervention and conflict mediation, as well as referring students and their families to the school psychologist or community-based agencies for additional support, when appropriate.

Psychologist - The services of the School Psychologist are available to students in need of psychological and educational support services. Students with learning difficulties or other psychological concerns can contact the School Psychologist for assistance. The School Psychologist also helps coordinate the Special Education Department through participation in IEP meetings, assessments, and acting as a liaison for district and county assistance programs.

ROP Career Specialist - The Career Center is operated by an ROP Career Specialist. This person coordinates participation in the Coastline Regional Occupational Program for Mission students. The Career Specialist also maintains an extensive library of college catalogs, entrance exam information, and admissions information. She also acts as a personal resource for college and career information and can assist with self-assessment of possible career choices and appropriate preparation.

Assistant Principal/ Guidance & Curriculum - The Assistant Principal of Guidance & Curriculum oversees the operation of the Counseling and Guidance Department. She establishes the master schedule of classes for the school, monitors existing course offerings, instructional and assessment strategies, and evaluates a portion of the teaching staff. She also assists in the development of new course offerings, course revisions, textbook selection, and operation and supervision of the total school. Advanced Placement (AP), International Baccalaureate (IB), and English Language Proficiency Assessments for California (ELPAC) testing are also part of her responsibilities.

Guidance Secretary - The Guidance Secretary helps coordinate many aspects of the department and can provide valuable information or direct students and parents to the primary source of information.

Bilingual Community Liaison (Representante de los Padres) – La representante tiene la responsabilidad de facilitar la comunicación entre la preparatoria y el hogar. Todas las consultas en español que usted tenga con respecto a la escuela o el rendimiento de su hijo en ella, pueden hacerse a la extensión 235145; 7:30 a.m. – 2:00 p.m.
COMMUNICATION WITH THE SCHOOL

When a parent has a concern or question about a student’s progress, they should contact the teacher first. 95% of student/teacher problems can be remedied with parents and teacher working together to help the student meet the course requirements. If there is a problem that is not resolved satisfactorily through this line of communication, the Student Services Technician (SST) or Counselor can be contacted to help facilitate communication. If there is still a need for resolution, the administrator who oversees the specific department will be contacted by the SST or counselor for a conference between all concerned parties. We encourage parents to contact teachers as often as necessary to stay current with their student’s progress. Please be aware that email is the preferred method of contact for most teachers. Staff e-mail addresses can be viewed on the MVHS website: https://www.svusd.org/schools/high-schools/mission-viejo/academics/teachers-and-websites.

Teachers are not available for phone calls during class time, but you may leave a message for a return phone call within 48 hours, or office staff can inform you of the time when a teacher is available during their preparation period.

COLLEGE COUNSELING

The Saddleback Valley Unified School District staff offers a wide range of services to provide information for all students and their parents regarding both high school and post-high school opportunities. Guidance Counselors assist students who plan to attend two or four year colleges with college admissions procedures, testing, and financial aid information. All 9th graders and their parents are invited to an advisement session to complete the four-year high school plan and discuss various post high school options. Evening informational meetings for college and career planning are presented by counselors at strategic times during the school year for each grade level. College/Career Units are also presented within classrooms in conjunction with the evening meetings.

GRADE TRANSCRIPTS

As students progress through high school, they will have various needs for a transcript of their grades, particularly when applying to colleges.

MVHS uses Parchment to bring you Secure Transcript – a paperless way to send transcripts. To register with Parchment and order transcripts, visit the Secure Transcript link http://www.parchment.com/. There is a fee of $8.50 for each transcript ordered. Please contact your student’s SST for more information. Unofficial transcripts can be requested directly from the student’s SST.
GUIDANCE - Student Support Services

COASTLINE REGIONAL OCCUPATIONAL PROGRAM (ROP)
The Coastline Regional Occupational Program (ROP), part of the Saddleback Valley Unified School District, provides practical, hands-on career preparation, career guidance, and job placement assistance to high school students (and adults). Five career pathways offering a wide variety of career preparation courses are available to students who are at least sixteen years of age or older during their junior and senior years.

Whether a student plans to go on to a university, college, or directly into the workforce, effective job skills and experience are an asset. ROP courses may give students an edge in obtaining entrance into a variety of occupational settings and/or related college/university majors. Examples of the value of the ROP experience for a university/college bound student may be evidenced in a variety of ways (i.e., letters of recommendation from professionals in the field, employability in career-related areas during the university/college years, experience to make appropriate career decisions, etc.).

Please see your ROP Career Specialist or Guidance Counselor for additional information and current listing of courses offered.

CAREER GUIDANCE
Each year, the School Counselors provide instruction in tandem with the ROP Career Specialist through Social Science or English classes at each grade level regarding high school graduation, college admissions, and career guidance. These “Career Units” are designed to explore student career interests and opportunities, and to provide crucial information to students regarding the pursuit of those interests through an appropriate career path.

WORK PERMITS
Students under 18 years of age who are employed must obtain a work permit. Applications are available in the Main Office and they are processed by the Career Specialist. They also have important information about the labor laws and legal limits for work hours for specific ages. A 2.0 GPA on the previous progress report is required to obtain a permit. Work permits require 48 hours to process once the completed application is submitted to the Career Specialist.

CTE ARTICULATED COURSES
Career Technical Education (CTE) articulated courses taught in district high schools are comparable to those offered by community colleges. Students who earn an “A” or “B” in high school CTE classes and then attend community college after high school will be granted college credit for those courses. Students may then move on to the next higher course level in the specific subject area at the community college.

Each course listed in the (High School Course List) High School Registration Guide that has an articulated agreement with a community college is identified (ca) in the Notes section of the table. Most CTE courses articulate with Saddleback College. See Saddleback College’s website for more information: [http://cte.saddleback.edu/ArticulationListings](http://cte.saddleback.edu/ArticulationListings)

Additional CTE courses articulate with Irvine Valley College, Golden West College, Coastline Community College, Orange Coast College, Santa Ana College and Mount San Antonio College. (Ask your MVHS CTE teacher for more information.)

CORE CLASSES
All students are enrolled in a core curriculum. This curriculum consists of: language arts (English), social science, science, and mathematics instruction that prepares students for meaningful transition to various post-secondary options. Foreign languages, computer technology, visual and performing arts, and business & technical education courses augment the core classes to better prepare students for admissions to colleges, universities, vocational training programs and career opportunities. Students with special needs (English Learners, specific learning disabilities, etc.) are ensured access to the core curriculum.
GUIDANCE - Student Support Services

SPECIAL EDUCATION

Special Education Programs are for individuals with exceptional needs who have been identified as eligible to receive special education and related services in accordance with an Individualized Education Program (IEP). Students are served with a flexible range of services ranging from college prep courses to self-contained classes.

HONORS ORGANIZATIONS

National Honor Society (NHS)

National Honor Society is a nationally recognized academic society. Selection is based on four criteria: scholarship, service, leadership and character. Students who are academically eligible are then considered for membership by the faculty committee on basis of leadership, character, and service. Membership is limited to 10th, 11th, and 12th graders.

California Scholarship Federation (CSF) Membership—Regular Member

1. Students must apply for membership each semester.
2. To qualify for membership, a student must earn a minimum of 10 CSF points.
3. Classes that qualify for CSF points are divided into three lists. To compute membership points, a student must have taken a minimum of three courses from Lists I and II. Two of these must be from List I and one from List I and II. The fourth course may be any other course excluding physical education, courses taken in lieu of P.E., any repeated course, and teacher/office aide or clerking. Lists are available at individual school sites.
4. Any grade of “D” or “F,” or a citizenship/work habits mark of “U,” or more than one “N” disqualifies a student for that semester.

A grade of “D” or “F” in any subject debar the student from membership for that semester

**Except for students using grades earned during their senior year (when these students are allowed to use one (1) or no LIST 1 courses to earn the necessary 7 points from LISTS I and II.
***LISTS I, II and III are available from the CSF sponsor at each school site.
**CSF Sealbearer or Life Member**

Requires four semesters of membership (applied for and accepted) based on grades earned in grades 10-12. Grade 9 does not count towards Sealbearer of Life Membership. One semester of membership must be based on grades earned in 12th grade. A Life Member must be a member all six semesters (grades 10-12).

**Scholarship Competitions**

Students may represent their high schools in academic competitions such as Orange County Academic Decathlon (OCAD), Mock Trial, the National Math Exam and Model United Nations (MUN). These students compete for school and individual awards.

**CREDIT & GPA DEFICIENCIES**

When students fail a class, they receive no credit for that particular class. If the course is specifically required for graduation (see Graduation Requirements), they must make up the class prior to graduation. An “F” grade can have a negative impact on the student’s academic record in three different ways:

1. The student becomes credit deficient toward the goal of 220 credits required to graduate.
2. The student’s overall grade point average is lowered (*minimum 1.75 GPA required to graduate*)
3. If the course is specifically required for graduation, it could prevent graduation unless made up.

Students can make up credits through Summer School, by taking an extra class during the school year with a period 1-7 schedule, through an additional class in the evening at Adult Education, or by taking a 10 credit ROP course after school hours. When students have failed multiple classes and have fallen more than 30 credits behind their grade level, it is recommended that a transfer to an Alternative Education program should occur (where additional credit earning options are available) until the student has returned to the proper credit or GPA level. Guidance Counselors can help students and parents with a remediation plan to help make up credits. It should be noted that grade deficiencies can also have a negative impact on college admissions requirements.

**ALTERNATIVE EDUCATION PROGRAMS**

Alternative Education programs help assist a student who has not been successful at the comprehensive high school. Student transfers are usually initiated by the student and parent seeking this type of help and they are processed through the Discipline Office. Problems that usually lead to Alternative Education are: truancy, multiple failures, credit deficiency, GPA deficiency, behavioral problems, etc. The Alternative Education settings are more individualized in nature and often provide a student with a “fresh start” from wherever they may be in their educational process. The SVUSD provides two alternative settings: Silverado High School and the Virtual Academy. Both programs are held on the same campus across from the District Offices at Peter A. Hartman Way and Jeronimo Road.

Silverado High School services the majority of alternative students with a comprehensive curriculum and subject specific teachers working together in a four period day.

SVUSD Virtual Academy is designed for the student who can work independently, utilize online curriculum, and check in with teachers weekly.

Other alternatives are available through private sources and the Orange County Department of Education, but they are not linked directly to the SVUSD curriculum like Silverado High School and the Virtual Academy. See the High School Registration guide online for more information.

Mission Viejo High School also publishes a Freshmen Handbook, which is available online. This handbook informs incoming 9th grade students of classes and course offerings.
HOME TEACHING DUE TO ILLNESS OR INJURY
Occasionally, a student will have a serious illness or sustain a serious injury during the school year. When this occurs and the affliction will keep the student out of school for longer than a three-week period, the first option to consider is an independent study program through the SVUSD VIRTUAL ACADEMY. If the student is absolutely unable to leave the home, the parent should make an appointment with the School Psychologist, Guidance Counselor or Assistant Principal of Guidance & Curriculum. If home teaching is deemed appropriate, it will be necessary for the parent to bring in documentation from a physician and fill out the request forms. All home teaching requests must be approved by the District Office. Once approved, District Office staff will assign the specific teacher and notify the parents. The home teacher then contacts MVHS teachers to gather material being covered in the student’s classes during the absence. Home teachers provide one hour of academic assistance per school day. This helps facilitate a smooth transition back into the classroom at the end of the absence. Students on home teaching withdraw from MVHS during their illness and receive a separate grade from their classroom teacher that matches the regular classroom grades with some necessary accommodations.

GRADUATION REQUIREMENTS
Attendance Requirement: Four years of attendance at the senior high school or its equivalent. Any exception must be planned and approved by the SVUSD Superintendent and the Governing Board.

To receive a diploma from a comprehensive high school in the SVUSD, a student must be in attendance at a comprehensive high school for their last semester prior to graduation. A student may receive a comprehensive high school diploma if all requirements are completed by the end of the last SVUSD summer school session regardless of the site location of summer school, however, summer graduates may not participate in the June graduation ceremony.

Community Service Requirement: A student must submit verification of a minimum of eight (8) hours of community service or an equivalent project to be completed during their high school career. This requirement must be completed by February 1 of the senior year.

Subject & Unit Requirement: To receive a diploma from the Saddleback Valley Unified School District, a student must earn the following minimum units of credit:

*The 30 units of Mathematics must include the content of the SVUSD Algebra 1 course. Students completing Algebra 1 according to SVUSD placement criteria (BP 6152.1) at the intermediate school will have met one year of the high school mathematics graduation requirements and must complete an additional 20 units of advanced math at the high school level. No high school units will be granted for completing Algebra 1 at the intermediate level.

**All students in the class of 2022 and beyond must complete Biology of the Living Earth, Chemistry of the Earth, and Physics of the Universe.

***All 9th grade students must enroll in PE or a sport both semesters, as well as an additional two semesters in 10th, 11th, or 12th grade. No students will receive credit for more than eight (8) semesters of physical education.
GUIDANCE - Student Support Services

Grade Point Average Requirement: Students must earn a total GPA of 1.75 or above to graduate from the Saddleback Valley Unified School District. These graduation requirements apply to all students, including those students who transfer into the SVUSD.

Writing Proficiency: A student must demonstrate grade level writing proficiency on a district benchmark activity.

GRADE REPORTS
Grade reports are posted electronically on the Parent Portal eight (8) times during the school year — at the middle of each quarter and at the end of each quarter. All reports are considered progress reports except the reports at the end of the second and fourth quarters. The second quarter report is the permanent record for the 1st semester and the fourth quarter report is the permanent record for the 2nd semester. ONLINE GRADES
You may access your child’s grades at the progress report and grade report periods via the Internet. Type the address for the district (http://www.svusd.org) and click on the Parent/Student Portal. You will need to provide your e-mail address and the password, PIN# and Student ID number. Please call your Student Service Technician if you have problems logging on.
GUIDANCE - Student Support Services

WEEKLY PROGRESS REPORTS BY REQUEST
While all parents are encouraged to access student grades online, there are instances where a student has been experiencing academic difficulty and parents may wish a more detailed explanation from the teacher that may include student behavior and work habits. This request can be made in an email to each teacher from whom you would like to receive information. Since teachers are already supplying online grades, it is recommended that this type of update only be requested for specific classes where the student is struggling and that these requests be made only occasionally or for a short time span when needed.

COMMUNITY SERVICE REQUIREMENTS AND PROCEDURES
1. Each student must complete at least 8 hours of community service during their high school career.
2. Obtain a “Community Service Verification Form” online or from the guidance office.
3. Select an organization/agency where you would like to volunteer your service. Service must be done for non-profit organizations that benefit the community as a whole such as religious organizations, community programs, charitable organizations or volunteer activity done through a school service club like Key Club or NHS. (Service counted toward class credit, court probation credit, or for fundraising efforts that directly or indirectly benefit the student is not acceptable for the community service requirement. Service performed for friends, family members or businesses is also unacceptable.) If there is any doubt whether a service activity qualifies, please call the Guidance Office for pre-approval.
4. After completing your service, obtain all verification signatures on the Permission and Verification form and immediately return the form to your Student Services Technician. This should be done prior to the end of the junior year - earlier if possible.

COURSE RECOMMENDATIONS AND THE REGISTRATION PROCESS
Students have access to all levels of classes on the high school campus provided they have met the prerequisite sequential courses. Students are encouraged to refer to the District Registration Guide and to seek the advice of their teachers and counselors when considering the placement of each of their courses. Other factors that should be considered when creating their schedules include each student’s extra-curricular commitments and additional responsibilities outside of the classroom. At MVHS, the importance of balance and stress management is discussed with the students on a regular basis.

Courses are available in the following levels:
- Basic (for students who qualify with an IEP)
- College-Prep/Regular courses
- Honors courses (please note that not all SVUSD Honors courses are weighted by the UC and CSU system)
- Advanced Placement (AP) Courses
- International Baccalaureate Courses (IB)

The MVHS master schedule of classes is built each year upon student course requests. In order to properly assign teachers to courses and create the schedule in time for the Fall semester, it is imperative that we finalize all Fall student schedule requests prior to June 1.

No schedule change requests will be honored after June 1st.

CLASS CHANGE POLICY

Teacher Changes
All student schedules are completed by Aeries, the SVUSD Student Information System. The computer balances all class sizes and assigns teachers to students in a random manner. To maintain proper class balance, students/parents may not request a schedule change to accommodate a teacher of their choice. For the same reason, class changes are not used as a remedy when a student experiences difficulty with a particular teacher. Every other option for resolving a student/teacher problem will be attempted before a class change is explored, (i.e., e-mail communication with teacher, telephone conference with teacher, parent/teacher conference).

Class Changes
Parents and students should be aware that once schedules are picked up on the first day of school, no changes will be made to that schedule. By this time, the schedule should have been checked at Diablo Daze, and teacher recommendation, graduation needs, and class balancing have all been factored into the resulting schedule. The
GUIDANCE - Student Support Services

Guidance Department is consumed with enrollment of new students during the opening days of school and cannot make unnecessary and disruptive class changes. The only exceptions are cases where an error was made in placing a student in the wrong level class or where there is obvious duplication or omission of a class. Students approved to enroll on an Athletic team are also an exception.

Adding and Dropping a Class
All adds and drops are subject to need, space availability in the master schedule and District enrollment guidelines. Students may only be approved to add a new class to their schedule within the first fifteen (15) school days from the start of the semester. All classes will be subject to this time limitation. Students will be allowed to drop a class from their schedule with no penalty within the first thirty (30) school days from the start of the semester. Students who drop after the 30th day will receive a failing grade (W/F) on their permanent record for the semester for that class.

WITHDRAWAL FROM SCHOOL
When families move or change schools, the student needs to officially withdraw from school. This is done by having parents notify the school, in writing. The parental note should be taken to the SST several days prior to the date of withdrawal. On the last day of attendance at school, the student reports to the Guidance Office at 7:45 a.m. and receives a withdrawal form from the SST, which he/she then carries to each of his/her teachers throughout the day. The teachers enter the current grade on the form, which will become the official withdrawal grade for the class. The student also returns all textbooks and equipment, along with their I.D. card and parking permit (grades 11-12). At the end of the day, the student returns the completed form to the SST. The student will receive a copy of the withdrawal grades to carry to the new school, along with a copy of the immunization record and transcript. Parents should carefully consider the timing of a school change by consulting the Guidance Staff at both MVHS and the new school to avoid any loss of credit for completed work.

HONORS, ADVANCED PLACEMENT (AP) & INTERNATIONAL BACCALAUREATE (IB) COURSES
Mission Viejo High School and the Saddleback Valley Unified School District believe that students can benefit from taking a rigorous, academically challenging course of study during their high school careers. IB diploma candidates are considered the top students in any high school. Earning the IB diploma sets students apart from the many applications colleges receive each year and earn special attention in the college admission process. MVHS boasts of having the highest number of IB Diploma candidates in the SVUSD and also a high number of students taking Advanced Placement (AP) exams with a very high passing rate as compared to the County, State and Nation. MVHS offers AP courses in the following subject areas: World History, U.S. History, Human Geography, English Language, English Literature, Environmental Science, French Language, Spanish Language, Studio Art, Biology, Physics, Computer Science and Calculus. In an effort to encourage enrollment in Honors, AP and IB courses, Board Policy 6141.1 was adopted. This policy allows students to receive weighted grades for enrollment in these courses.

A passing grade in one of these courses will earn more grade points than a non-weighted course. Weighted grades will influence the overall high school grade point average (GPA) and class rank. Courses designated as weighted grade courses will be assigned a bonus point of .20 for each course for the SVUSD grade point average.

Students taking Honors, AP or IB coursework will develop strong academic skills and consequently will have a higher probability of acceptance into competitive college majors (i.e., architecture, business administration, computer science, engineering, nursing, physical therapy, etc.). Students will also strengthen their preparation for college admissions examinations. These courses are more academically rigorous than other college preparatory classes which justifies the weighting of the grade.

Advanced Placement courses specifically prepare students to take the College Board Advanced Placement Examination where college units may be granted for a passing grade on the exam. The International Baccalaureate courses prepare students in a similar manner for IB exams which also receive college credit.

All Honors, Advanced Placement, and International Baccalaureate, classes meet the GATE requirement of a qualitatively different program for students who have been identified as “Gifted and Talented.”

CALCULATION OF WEIGHTED GPA
Grade Point Average
1. Compute the regular GPA as if there were no weighted grades (A=4, B=3, C=2, D=1, F=0).
2. Assign bonus points for each weighted class taken (.20 points per weighted class) for Honors and Advanced
Placement classes with grades of “C” or better. “D” and “F” grades do not receive bonus points.

3. Average the bonus points over the number of semesters involved in the GPA (total bonus points divided by the number of semesters).

4. Add the previously computed GPA and the average bonus points to obtain a weighted GPA.

MODEL UNITED NATIONS
Participation in Model United Nations is the curricular option for a four-year program of International Studies at MVHS. Interested students are encouraged to enroll in Cultural Geography Honors/MUN in Gr. 9, AP World History in Gr. 10, AP US History in Gr. 11, and International Relations Honors/MUN in Gr. 12. MUN is an international organization, affiliated with the United Nations Association in New York. MVHS has one of the largest and most respected MUN programs on the west coast and we send delegations of students to Model United Nations conferences held by high schools & colleges all over the United States. The speaking, research, and writing skills acquired through Model United Nations are recognized by major universities as excellent preparation for the future.

STANDARDIZED TESTING PROGRAM
Mission Viejo High School students will be involved in several State and/or National assessments in the Spring of the upcoming school year including Advanced Placement (AP), International Baccalaureate (IB), California Assessment of Student Performance and Progress (CAASPP), and Physical Fitness Testing (PFT).

Students will be able to register for the PSAT for a Saturday testing date to be determined.

In addition, information regarding the SAT and ACT college entrance examinations can be found in our Career Center and online at https://collegereadiness.collegeboard.org/sat/register and https://www.act.org/content/act/en/products-and-services/the-act/registration.html.

INDEPENDENT STUDY
Individual On-Campus Courses
In certain rare circumstances where class sizes are too small or student schedules are impacted, a student can arrange to take a course on an independent study basis. Students must meet 5 hours per week with their instructor. This most often occurs in the Advanced Art classes. Independent study can only be arranged with the individual approval of the instructor, the completion of a contract, and final approval of the Assistant Principal of Guidance & Curriculum.

Independent Study – Physical Education (off-campus)
Independent Physical Education (IPE) is intended for Pre-Olympic/Elite/Nationally ranked athletes competing in a sport at the highest competitive level possible for their age group. Competing in and ranking in a lower level does not qualify for IPE. For more information regarding IPE and the application process please visit: https://www.svusd.org/schools/alternative-schools/virtual-academy-hs/athletics/independent-study-physical-education.

SVUSD Virtual Academy
Virtual Academy is the independent study school for the Saddleback Valley Unified School District. The school is designed for students who can work independently, utilize online curriculum, and meet with teachers weekly. A minimum GPA of 2.0 is necessary for enrollment and potential success at the Virtual Academy.

HOMEWORK
Homework is defined as school-related assignments by a teacher, or through mutual agreement of the student and teacher, which will require time and effort outside of the regular classroom for successful completion. Homework serves to reinforce what is taught in the classroom and, as such, is practiced independently as an extension of the previous day’s lesson or as a preparation for the next lesson. The recommended length of total homework assignments for grades 9-12 is 1 hour to 2½ hours. Longer or shorter assignments are appropriate at times, depending on the degree of difficulty and/or where the class is within the unit of study.

(See Attendance Policies for guidelines on make-up work due to absence.)

The following types of homework shall be considered appropriate:

- Review – preparing for examinations
- Observation – significant TV programs/specials
- Interviews
- Correction of graded papers
- Reading – novels, magazines, textbooks
- Completion of unfinished assignment begun in class
- Research – work on long-term assignments
- Memorization
- Drill work on spelling words, math concepts, etc.
- Miscellaneous activities – creative arts, crafts, notebooks, maps

Assignments made prior to an absence will be given no additional time, but are due on the day the student returns.
GUIDANCE - Student Support Services

to class. Additional time may be given at the teacher’s discretion. The exception to this rule is the long-term project/assignment which will be due on the original due date when advance notice of the due date has been given by the teacher.

Under the guidance of their classroom teachers, students will:

- Develop regular study habits and the self-discipline basic to effective study and the ability to work independently.
- Complete their homework assignments and return them, when requested.
- Learn to manage their time more effectively.

Homework assignments are extensions of the classroom lesson and, as such, are an integral part of the student’s achievement record. The successful completion of homework assignments and their cumulative weight shall be considered by the teacher in arriving at the student’s final grade.

THE SCHOOL CHOICE PROCESS
The School Choice Policy of the Saddleback Valley Unified School District allows parents to request any school in the District for their child to attend, if space is available, at the “school of choice.” Transfers between SVUSD schools is restricted during the school year. The School Choice process provides a once per year transfer opportunity that involves an application window in December and January for a possible change to the requested school for the next school year. For specific information, please contact the School Choice office at (949)586-1234 or visit https://www.svusd.org/.

HELPFUL SCHOOL PUBLICATIONS
Budget permitting, the following District publications are distributed at different times to students throughout the year and are available to parents and students upon request and are also available online at:

- MVHS Student Handbook
- Course Description Guide and Program Planning High School Planning Guide
- High School Registration Guide

https://www.svusd.org/schools/high-schools/mission-viejo
The goal of the Activities Office at Mission Viejo High School is to involve as many students in school life as possible. Involvement in school activities improves student achievement, allows students to develop their talents, and makes school more enjoyable. In addition to the athletics, Mission Viejo High School has a wide variety of excellent programs and extra-curricular activities for students to join.

**CURRICULAR CLUBS ON CAMPUS**
Curricular Clubs are defined as groups that meet outside of our regular class periods. Membership is open to all interested MVHS students. In order to remain active, Curricular Clubs must have a faculty advisor, hold regular meetings, be directly linked to school curriculum, and have all paperwork submitted to the Activities Director. **SVUSD Non-Discrimination Policy**
Saddleback Valley Unified School District is committed to equal opportunity for all individuals in education. The district programs and activities shall be free from discrimination based on age, disability, gender, gender identity/expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics equal rights and opportunities. Married, pregnant and parenting students shall have the same educational and extracurricular opportunities as all students. Expecting and parenting students retain the right to participate in any comprehensive school or educational alternative programs for which they would otherwise be eligible. The District shall promote programs that ensure that these discriminatory practices are eliminated in all District activities.
STATEMENT OF PHILOSOPHY
Mission Viejo High School athletic programs are designed to provide students with the opportunities to develop both physical and mental strength. We believe that a successful athletic program helps our athletes develop a sense of pride and self-confidence, and encourages leadership skills. The MVHS Athletic Department participates in the CIF Southern Section’s “Pursuing Victory with Honor” program. This program stresses the development of the six pillars of character (trustworthiness, respect, responsibility, fairness, caring, citizenship) through athletics. Our athletes learn self-discipline, which will help them through their adult life - where the ability to maintain poise and self-control in all situations is vitally important. We encourage all athletes to strive to excel, and help them understand that the path to success is hard work and determination! Sportsmanship is a key component to our athletic program and all our athletes are required to work diligently to achieve both individual and team goals and meet the athletic standards of the school and district.

- We believe the most important result of competition is the development of lifelong values and skills.
- We believe winning is an attitude resulting from optimum preparation, concentrated effort, and a deep commitment to excel.
- Interscholastic athletics is a voluntary program in which participation is a privilege, not a right.

ELIGIBILITY REQUIREMENTS

MEDICAL CLEARANCE – Absolutely no student will be allowed to practice or compete in any MVHS athletic sport without a certified sports screening or physical by a medical doctor.

AGE – Must not be 19 years old before June 15. May not compete on freshman team if 16 or on a sophomore team if 17th birthday is before June 15. May not play on varsity football team until 15 years old.

SCHOLASTIC – All Athletes must have passed 20 units (four classes) of new work during the previous grade period. “New work” is classes in which a passing grade had not been previously earned. Summer school grades may be counted. (This is a CIF requirement and cannot be waived.) Student athletes must maintain a 2.0 grade point average and can only have one “F” to be eligible. “Incomplete” grades that affect eligibility must be cleared prior to competition.

CITIZENSHIP – All athletes must be students in good standing in citizenship to be eligible. Athletes are allowed only one “U” in citizenship.

WAIVER – A one-time waiver can be used by an athlete to waive the scholastic and citizenship requirements. The student that uses the waiver will be placed on probation and must clear the deficit by the next grade period. Waivers are available from your Student Services Technician in the Guidance Office.

“Pursuing Victory with Honor”
Six Pillars of Character: Respect ● Trustworthiness ● Fairness ● Responsibility ● Caring ● Citizenship
ATHLETICS’ ROLE IN EDUCATION

Athletics is an integral part of the curriculum in today’s school system. Athletics contributes to students reaching their full potential in every aspect of education. Students gain the attributes of self-discipline and hard work by participating in a solid athletic program. The coaches and athletic program in general should be used as resources for teachers and parents to develop a mature and disciplined student.

Athletics is essential for teaching students persistence, patience and practice, all of which will benefit students long after their high school days. Athletics should both complement and contribute to the overall educational process. For many students athletics is the most effective environment for learning the aspects of teamwork, time management, leadership skills, social relationships, successful mindset, community representation and the desire to achieve high goals, which should be the basic objectives of any sound educational system.

RESIDENCE

All athletes must meet all CIF residency requirements as well as district requirements to be eligible to participate in Mission Viejo High School athletics.

* For questions, regarding athletic eligibility, please contact the appropriate Athletic Director for that sport.

ATTENDANCE

Athletes may only compete for 8 semesters while in high school.

CO-CURRICULAR PARTICIPATION

All students who participate in athletics, must attend at least 4-hours of school each day in order to compete in that same day’s activity/game. Athletes not in school on the day of a contest may be declared ineligible to compete on that day.

NOTICE OF OPEN/”FREE” PERIOD

While enrolled in 7th period athletics, student athletes will be meeting with their coaches and teams daily. In SVUSD, 7th period is an “Open” or “Free” Period which means that some of these meetings may not occur during the 7th period class time, but hold their practices or games at a later time during the day leaving 7th period free. Some student athletes enrolled in 7th period athletics may not have a 6th period class leaving that period “free” prior to attending athletics later in the day. Parents of student athletes acknowledge that a “free” period will be considered non-school hours for their student and that he/she is released from school. As a result, parents of student athletes also acknowledge that the school will have no liability with respect to their athlete’s coming or going to school during the “free” period, pursuant to Education Code Section 44808.

DONATIONS/CONTRIBUTIONS

The Saddleback Valley Unified School District is very proud of the extensive co-curricular programs offered at the comprehensive high schools. Through state funding, the District provides financial support for these programs, which may include stipends for one or more coach/advisor for each program, superb facilities, and general maintenance of the facilities. However, costs exceed limited state allocations, thus necessitating support and requests for contributions from participants.

Contributions are strictly voluntary, and no student will be denied the opportunity to participate in a SVUSD co-curricular activity because of a parent or guardian’s failure to participate in fundraising activities, failure to devote time or resources to the sport, or failure to purchase uniforms, or other accessories or equipment. Parents or students who do not participate will not be publicly identified.

Various programs request additional contributions to fulfill their operating budget which equates to a certain dollar amount per student.

If additional funds to augment the program are not raised, the school may find it necessary to scale back the program.

We are strongly encouraging all parents to contribute to the program. Remember, your contributions are tax deductible.

Additionally, parents and students may be asked to participate in fundraising activities throughout the year in an effort to provide even greater financial support for the program. Participation is highly encouraged. However, lack of participation in these fundraising activities by a parent or guardian will not affect their student’s ability to participate.

Athlete and Parent Complaint Procedure

For communication not specific to an individual coach, the first contact for concerns about any phase of the athletic program is the Athletic Director. This may be done either verbally or in writing.

Communication concerning District athletic programs and personnel are welcomed when motivated by a sincere desire to improve the quality of the program and/or an athlete’s participation therein. Please adhere to the following district athletic communication protocol:

1. Player-Coach

To empower our athletes to learn personal responsibility, they must communicate their concerns/questions directly to their coach before having someone else do this for them. Complaints regarding an individual coach must be made directly to the coach by the complainant. Every effort should be made to resolve the problem at this stage.

2. Player-Coach-Parent

If an issue still needs to be resolved after step 1, the player and coach should set up a meeting which will include the parent(s) or legal guardian(s) of the player. Communication with a coach regarding a concern should never take place at or immediately after a game or event.

3. Player-Coach-Parent-Athletic Director

If an issue still needs to be resolved with an individual coach after step 2, please submit the complaint in writing to the Athletic Director and he/she will set up a meeting with all those involved. A complaint form is available for your convenience. The written complaint must contain the following:

a. The name of the coach or the specific sport, level of competition, and/or the general athletic concern involved.

b. A brief but specific summary of the nature of the complaint and the facts surrounding the complaint. The complaint must be signed by the complainants (both parent/guardian and athlete.)

Please note that since the player and coach are the only two people who work together on a daily basis, both should be included in all communications.

Appeal - Complaints regarding an individual coach or program not resolved with the Athletic Director will be referred to the school's administrator in charge of athletics for resolution. The administrator in charge of athletics shall receive a copy of the written complaint and a written report of the efforts made to resolve the problem. The complainant shall receive a written response. Complaints not resolved by the school’s administrator in charge of athletics will be referred to the site Principal.

Reprisals will not be taken against any parent or student athlete for expressing their concerns or participating in the athlete and parent complaint process.

Because playing time and level or position placement are the sole responsibility of the coach, any complaint or concern will be directed back to the head coach.
Note: Because playing time and level or position placement are the sole responsibility of the coach, any complaint or concern will be directed back to the Head Coach.

**SCHOOL OPERATIONS**

**FOOD SERVICE**
Mission Viejo High School has food service available to students before school, at break, and at lunch. The menus, as well as prices, are available to students online. Free or reduced rates are available to those who qualify. See the Food Service Manager at MVHS school site for details.

**USING SCHOOL FACILITIES**
The use of any school facility including athletic fields, stadium, pool, classrooms, theater, or multi-purpose room requires a completed and approved Facility Use form. (Available in the front office.) Certain fees may apply for maintenance, custodial staff, and supplies depending on the nature of the event.

**TEXTBOOKS/CHROMEBOOKS**
All textbooks/Chromebooks are checked out and returned through the library. A current student ID card is necessary to check-out any book/Chromebook. All books/Chromebooks issued to students are their responsibility. If a textbook/Chromebook is lost, stolen, or damaged the student will be required to pay the assessed cost. *The cost of an average textbook is $80 and for a Chromebook it is approximately $300.*

Books/Chromebooks are checked for damage when they are returned. However, students are encouraged to check their books/Chromebooks when they receive them. If a student notices that the book/Chromebook is damaged from previous use and does not want to be held responsible for it, the student should bring the book/Chromebook to the library staff within two weeks of checking it out.

Books/Chromebooks are checked out to students by a barcode number. They are checked in by that exact same number. Returning another student’s textbook/Chromebook will not clear your account.

**LIBRARY**
Our library is a teaching facility in which students receive valuable information. Due to budget constraints, library access will be limited. For Library information, please see the MVHS website Home Page, under the Academics link, then Library Media Center.

Students have free access to many resource books and the Internet. Students can check their library/textbook accounts by logging into Saddleport, choose the blue “Destiny” icon, log in again for the catalog and “my info” for your textbook list and/or fines.

A student ID card is required to use the Library computers. Student username and password are needed to access the Internet and are issued during registration. **Note: Student Internet is monitored and filtered at the District Office.**

Printers are available in the library for student use. Each black and white page costs .10/page and is monitored by a computer system. Students are strongly encouraged to deposit money into their printing account with an initial deposit of $5 at Diablo Daze registration.

**Library Hours:**
The Library Media Center is open 7:00am – 3:15 pm every day with the following exceptions:

- **Monday – Friday:** CLOSED FOR TUTORIAL

UNIFORM COMPLAINT PROCEDURES

The Governing Board recognizes that the district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. The Board encourages the early, resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint processes specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district's uniform complaint procedures (UCP) shall be used to investigate and resolve the following complaints:

1. Any complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, after school education and safety programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, special education programs, consolidated categorical aid programs, and any other district-implemented program which is listed in Education Code 64000(a) (5 CCR 4610)

2. Any complaint alleging the occurrence of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) against any student, employee, or other person participating in district programs and activities, including, but not limited to, those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics (5 CCR 4610)

This includes complaints alleging sexual harassment of a student by another student, an employee or a third party, as well as complaints alleging sexual harassment that occurs off campus but has a continuing effect on campus.

3. Any complaint alleging district noncompliance with the requirement to provide reasonable accommodation to a lactating student on school campus to express breast milk, breastfeed an infant child, or address other breastfeeding-related needs of the student. (Education Code 222)
4. Any complaint alleging district noncompliance with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities (5 CCR 4610)

5. Any complaint alleging district noncompliance with legal requirements related to the implementation of the local control and accountability plan (Education Code 52075)

6. Any complaint, by or on behalf of any student who is a foster youth, alleging district noncompliance with any legal requirement applicable to the student regarding placement decisions, the responsibilities of the district’s educational liaison to the student, the award of credit for coursework satisfactorily completed in another school or district, school transfer, or the grant of an exemption from Board-imposed graduation requirements (Education Code 48853, 48853.5, 49069.5, 51225.1, 51225.2)

7. Any complaint, by or on behalf of a homeless student as defined in 42 USC 1143a, alleging district noncompliance with any requirement applicable to the student regarding award of credit for coursework satisfactorily completed in another school or district or the grant of an exemption from Board-imposed graduation requirements. (Education Code 51225.1, 51225.2)

8. Any complaint alleging district noncompliance with the requirements of Education Code 51228.1 and 51228.2 that prohibit the assignment of a student to a course without educational content for more than one week in any semester or to a course the student has previously satisfactorily completed, without meeting specified conditions. (Education Code 51228.3)

9. Any complaint alleging district noncompliance with the physical education instructional minutes requirements for students in elementary school. (Education Code 51210, 51223)

10. Any complaint alleging retaliation against a complainant or other participant in the complaint process or anyone who has acted to uncover or report a violation subject to this policy

11. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is agreeable to all parties. ADR such as mediation, may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.
The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint, if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints in accordance with applicable state law and district policy.

**Non-UCP Complaints**

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency.

2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.

3. Any complaint alleging employment discrimination shall be sent to the California Department of Fair Employment and Housing and the compliance officer shall notify the complainant by first class mail of the transfer.

4. Any complaint alleging fraud shall be referred to the California Department of Education.

In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. Compliance Officers

The district designates the individual(s) identified below as the employee(s) responsible for coordinating the district's response to complaints and for complying with state and federal civil rights laws. The individual(s) also serve as the compliance officer(s) specified in AR 5145.3 - Nondiscrimination/ Harassment as the responsible employee to handle complaints regarding sex unlawful discrimination (such as discriminatory harassment, intimidation, or bullying). The individual(s) shall receive and coordinate the investigation of complaints and shall ensure district compliance with law.

Assistant Superintendent, Human Resources
Saddleback Valley Unified School District
25631 Peter A. Hartman Way
Mission Viejo, CA 92691
Phone: (949) 580-3217
Email: HUMAN.RESOURCES@SVUSD.ORG

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, if applicable, if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer’s ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall include current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions.
The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the results of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

**Notifications**

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

The Superintendent or designee shall annually provide written notification of the district's UCP, including information regarding unlawful student fees and local control and accountability plan (LCAP) requirements, and requirements related to the educational rights of foster youth and homeless students, to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. (Education Code 262.3, 48853, 48853.5, 49013, 49069.5, 51225.1, 51225.2, 52075; 5 CCR 4622)

The annual notification and complete contact information of the compliance officer(s) may be posted on the district web site and, if available, provided through district-supported social media.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints

2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal antidiscrimination laws, if applicable
3. Advise the complainant of the appeal process, including, if applicable, the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies, such as the U.S. Department of Education's Office for Civil Rights (OCR) in cases involving unlawful discrimination (such as discriminatory harassment, intimidation, or bullying).

4. Include statements that:

   a. The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs.

   b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

   c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

   Regardless of whether a complainant complies with timeline requirements, all complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) shall be investigated and prompt action taken to stop the discrimination, prevent recurrences, and address any continuing effect on students.

   d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.

   e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

   If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation reveals that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

   f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part
of the district's educational program, including curricular and extracurricular activities.

g. The Board is required to adopt and annually update the LCAP in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP.

h. A foster youth shall receive information about educational rights related to his/her educational placement, enrollment in and checkout from school, as well as the responsibilities of the district liaison for foster youth to ensure and facilitate these requirements and to assist the student in ensuring proper transfer of his/her credits, records, and grades when he/she transfers between schools or between the district and another district.

i. A foster youth or homeless student who transfers into a district high school or between district high schools shall be notified of the district’s responsibility to:

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

(3) If the student has completed his/her second year of high school before the transfer, provide the student information about district-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code 51225.1

j. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with the CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.

k. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

l. Copies of the district's UCP are available free of charge.
District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaint

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)

2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such
Saddleback Valley Unified School District

complaint shall be filed no later than one year from the date the alleged violation occurred.
(Education Code 49013, 52075; 5 CCR 4630)

3. A complaint alleging unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

Regardless of whether a complainant complies with timeline requirements, all complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) shall be investigated and prompt action taken to stop the discrimination, prevent recurrences, and address any continuing effect on students.

5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or alleged victim, when he/she is not the complainant requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.
If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)
In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent within the same timeframes as the complainant, the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties that may be involved in implementing the decision or affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.
If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
   a. Statements made by any witnesses
   b. The relative credibility of the individuals involved
   c. How the complaining individual reacted to the incident
   d. Any documentary or other evidence relating to the alleged conduct
   e. Past instances of similar conduct by any alleged offenders
   f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

a. How the misconduct affected one or more students' education
b. The type, frequency, and duration of the misconduct
c. The relationship between the alleged victim(s) and offender(s)
d. The number of persons engaged in the conduct and at whom the conduct was directed
e. The size of the school, location of the incidents, and context in which they occurred

f. Other incidents at the school involving different individuals

5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

a. The corrective actions imposed on the respondent

b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.

c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law, (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.
Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law

7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

**Appeals to the California Department of Education**

Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, he/she, in the same manner as the complainant, may file an appeal with the CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant or respondent has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)
1. A copy of the original complaint
2. A copy of the written decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's uniform complaint procedures
7. Other relevant information requested by the CDE
