

2021-2022 MVHS PTSO Membership Form

Mission Viejo High School Parent – Teacher – Student Organization

Yes, I want to Support My Students Education!

We consider all Parents, Teachers, Staff and Students vital stakeholders in the PTSO. The PTSO is the **ONLY** group that supports the entire school. 100% of your donation will provide funds for school-wide technology projects, classroom supplies, scholarships, positive student recognition and support for the entire MVHS campus!

With your help we will continue to ensure the success of our school and students. We ask that each family become a member of the MVHS PTSO by selecting an option below. Our goal is to raise \$50,000 for the 2021-2022 school year. If EVERY MVHS FAMILY donated \$25 this year the MVHS PTSO would be able to fund triple the number of projects than in years past and we could increase the student scholarships from 4 to 8.
