#### **CAASPP Testing** **April 26 and May 3**

All students in 11<sup>th</sup> & 12<sup>th</sup> grade MUST use a SVUSD issued Chromebook to take the upcoming State mandated test. If you are a JUNIOR or SENIOR and have NOT checked out an SVUSD Chromebook, please come by the Library to get one! The Library is open Monday through Friday from 7:30 am to 2:30 pm.

Parent or Guardian must fill out the Chromebook checkout agreement before check-out, go to [Chromebook Checkout Here](#).

Questions? Please contact [Mrs. Takamiya](#).

### Message from the Principal

Welcome to our Spring Newsletter! It has been longer than usual since the last newsletter so I am pleased to share and highlight the accomplishments of our students. Despite the many limitations this past year, we are staying strong and pushing forward. It is exciting to see student-athletes in competition as well as the performances of our amazing VAPA students. Our recent award (OC Parenting Magazine) for Best Public or Charter High School is a testament to the incredible leadership of the MVHS faculty and staff.

#### **WASC Accreditation Mid-Cycle Visit**

In February, MVHS was visited by the Western Accreditation School and Colleges (WASC). I am proud to report that the WASC Visiting Committee noted many schoolwide strengths, including: a collaborative, student-centered school culture focused on improving educational outcomes for all student groups, a strong commitment to Professional Learning Communities, a forward

thinking administration and faculty, and strong levels of student participation in the courses, programs, pathways, co-curricular and extracurricular activities.

#### **Block Schedule**

At the start of the 2018-19 school year, MVHS teachers created a Bell Schedule Committee, with the purpose to explore a new bell schedule. Research indicates the positive impact on student learning in a block schedule. In addition, a block schedule will slow the pace of the school day due to less transition and provide opportunities for students to develop greater interpersonal relationships. \*For the 2021-22 school year, MVHS will follow the new [MVHS Block Schedule](#). However, please note the block schedule will be implemented once we no longer follow the District Hybrid Bell Schedule.

**"For the 2021-22 school year, MVHS will follow the new [MVHS Block Schedule](#)."**

#### **New Activity Director- Steve Hardy**

I would like to welcome new Activity Director Steve Hardy. Mr. Hardy joins us from Sonora High School, where he was a Special Education Teacher, Department Lead, and served for the past 11 years as their Activity Director.

Former AD Jennifer Ryan relocated to San Diego and accepted an English teaching position at Torrey Pines High School. We wish her the best of luck and thank her for five years of dedication to MVHS.

#### **California Assessment of Student Performance and Progress (CAASPP)**

MVHS students will soon

(continued on next page...)

## Principal's Message Continued from front page:

begin CAASPP state testing in English and Math. All 11<sup>th</sup> Grade students will take the ELA CAASPP on April 26<sup>th</sup> and Math CAASPP on May 3<sup>rd</sup>. It is important that our 11<sup>th</sup> grade students to do their best on the CAASPP tests as it has implications for the school and for students themselves. MVHS' performance on the CAASPP tests is a major component of the California School Dashboard, which is California's accountability system that provides information about how we are meeting the needs of students and compares our school with others based on a collection of indicators. In addition, student performance on these tests will be included on their transcripts indicating whether they are "College Ready". These scores will serve as placement exams for students planning to attend college.

In closing, I want to thank the parents who took time from their busy schedules to support MVHS throughout

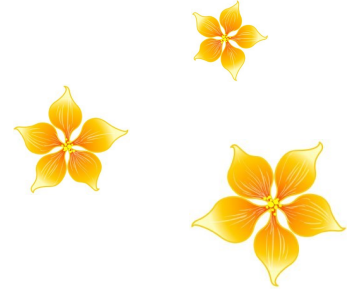

this challenging school year. Whether it was support through one of our many booster organizations, the PTSO, or donations to school programs, and volunteer work, I appreciate you. For all Diablo students, I encourage you to attend Academic Support time, study, complete assignments on time, and finish this year doing your best. For my seniors, I look forward to seeing you at graduation on June 3!

Thank you,

*Tricia Osborne*

ocrcyouth 🎉 Congratulations 🎉 Mission Viejo Red Cross (MVHS) for being February Club of the Month!! During the month of February, MVHS has been extremely active with all their members as they hosted many engaging events 🥳 MVHS kept their members engaged through social media, as they held a week of Red Cross Daily impacts on their story with impacts relating back to the American Red Cross' 5 Lines of Service. MVHS has held a letter of gratitude event and is hosting a tutoring fundraiser with all proceeds going back to the American Red Cross 🌟 Congratulations again to Mission Viejo High School, and if you want to see your school on the next Club of the Month, please be active and stay connected 🥳 🌟

***MVHS' Red Cross Club was acknowledged as the February Club of the Month from Orange County Red Cross Youth (Advisory board of the Red Cross youth volunteers.***

***Their card creating event was spotlighted on the OCRC Youth Instagram.***

Past Projects Included:

- Created cards for Blood Drive Volunteers
- Created cards for a nursing home (300 cards)
- Started a fundraiser for the Red Cross Organization (ongoing)
- Tweets to Thank (Thanking people who have donated blood through Twitter)
- Heros Q&A (Compiling a video of firefighters and healthcare workers answering questions from our club members)
- Mapathon (Mapping unmapped/missing areas on the map)

If you're interested in joining, check our Instagram @mvhs.redcross

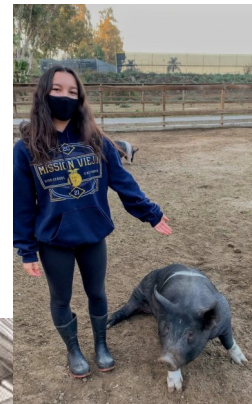

# Highlights

## MUN Virtual Conference

Our MUN advisor, Jon Van Tassell, helped us successfully run our 38<sup>th</sup> annual MVHS MUN conference virtually and in person. Our MUN Booster did a great job to help us safely accommodate, social distance, and feed all our MUN students. Mr. Van Tassell noted that a thank you was in order to our principal, "for always checking in and giving us the confidence that it was possible. Our MUN Scholars were phenomenal hosts and truly a model example of the UN."

## Taking the Farm Virtual

MVHS Agriscience students competed at the Orange Section FFA speech contest and took away top honors. The competition was held virtually, students wore the official dress, and spoke on camera to a panel of judges/interviewers. More than 100 students competed in 6 different speech contests and the following MVHS students received awards: Sophia Melberg, Jesus Espinosa, Alissa Alvarez, Shea Simpson, Elise Reynolds, Zoe Angustain, Alison Bushong, Dylan Lai, Olivia Carlucci, Kayleigh Boelts, Erik Gomez, Ava Parra, Bree Kenney, Curtis Johnson (shown right), Emmanuel Membreno, and Jessica Espinosa. Congrats to FFA students, Amanda Adams, Javonne Mullins, and Cherie Shook!

## Shay Sharp Teacher of the Year

Shay aims to be the "guide on the side" rather than the "sage on the stage" (by using the "I do, we do, you do" model, Socratic seminars, gallery walks, chalk talks, focused group work, challenging texts with critical thinking questions, process writing, and Making Thinking Visible strategies). She consistently observes and assesses the achievements and gaps in her students' learning so she can meet them where they are. According to Shay, "I think the role of a teacher is to help his or her students to develop the analytical and synthesis skills in order to prepare them for careers and life in the digital age." It's clear to anyone who spends time in her classroom, that Shay does just that.

# Can't Stop The Music

## Instrumental Music

Students of our instrumental music programs worked for months to create 11 total projects last semester for our virtual Fall/Winter concert. This included our Symphonic Band, Wind Ensemble, String Orchestra, Jazz 1, Jazz 2, and Brass Ensemble. Projects are viewable on the [YouTube channel](#) and the [Fall Concert website](#). Doug Meeuwesen and Robert Westphal worked tirelessly to bring these stellar students work to the spotlight.

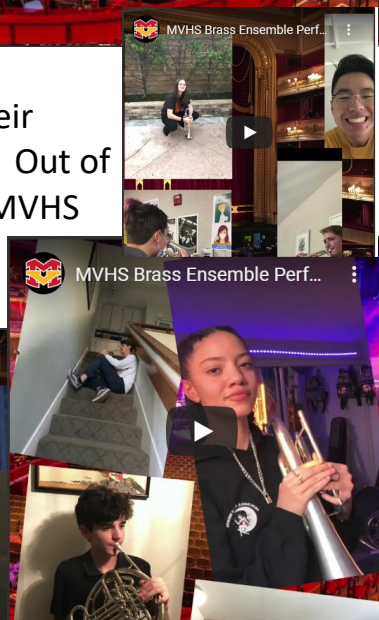

## Choral Music

Congratulations senior Lexi Cook (pictured lower left) is a Semi-Finalist for OC Artist of the Year in Classical Voice. Congratulations to junior Joe Oberholzer (pictured below), who was selected (over 1,500 applicants from schools across the state) to participate in the All-State Honor Band.

MVHS Treble Choir and Chamber Singers both earned Gold (Superior) ratings and top honors in the

exclusive WoldStrides Virtual Choir Festival. Due to the high quality of their performances, both groups were also invited to the Festival of Gold 2022! Out of

the approximately 50 high schools nationally that entered, MVHS Chamber Singers were recognized by placing second place for all choirs from each high school in the top mixed choir division. Congratulations MVHS Choir and Chamber Singers!

## 2021 Orange County Science Olympiad

On February 27, 2021, the MVHS Science Olympiad team competed in 2021 Orange County Regional Science Olympiad competition. The competition was held virtually this year, with all 23 events held online and students competing from home. MVHS placed 29th among 43 teams from Orange County. The MVHS team was also able to compete in several practice tournaments before the Orange County competition.

Doing well for the team this year were Brian Truong and Cassandra Irahola in Dynamic Planet (14<sup>th</sup> place); Sophia Sunkin and Yu Xin Cheng in Fossils (16<sup>th</sup> place); Cassandra Irahola and Kaley Newlin in Anatomy and Physiology (16<sup>th</sup> place); and Ben Nguyen and Sophia Nguyen in Detector Building (18<sup>th</sup> place).

Also representing the team in the competitions were William Allen, Halley Carson, Avelin Chang, Kendall Eulo, Breanna Huynh, Jacquie Perisho, Stephanie Tran, and Chan Trinh. Great job Diablos!

## A Legacy of Excellence

The National Honor Society (NHS) held an online induction ceremony (pictured left) for new members on Monday, February 22<sup>nd</sup>. Students who were inducted had to demonstrate excellence in the four pillars of NHS which are: Academics, Character, Leadership, and Service. At the ceremony, NHS Board members reviewed these areas and then had a candle lighting ceremony and oath to continue the commitment to these four pillars for the remainder of their time at Mission Viejo High School and into their life beyond high school.

## Diablo Spotlights

### ASB Teacher of the Quarter

*"MS. SEITZ!!!! I miss being in your amazing class! I always looked forward to your class and being able to learn so much about history and at the same time have such a fun class. You always do such an amazing job helping students know they are special and that they are worth the time."*

### ASB Teacher of the Quarter

*"Mr. Merk!!!! Thank you for all you do for your students and for our school!! I'm so glad I got to have you as a teacher and a mentor!!! You make learning fun and are always in bright spirits which makes your class so enjoyable!!! Thank you for teaching us not only about history but also life lessons that we will use for the rest of our life!!!"*

### The Write Stuff

*Congratulations to junior Preston Veravanich who won second place in Orange County in the Poetry Out Loud performance competition. Poetry Out Loud is a national arts education program that encourages the study of great poetry by offering free a dynamic recitation competition for high school students across the country. Preston is active in MVHS Drama, ComedySportz, MUN and a full IB diploma candidate.*

# MVHS AVID Spotlights

## AVID Celebrating High Achievement

AVID celebrated the accomplishments of all AVID students from 1<sup>st</sup> semester at the Semester Celebration All-Call on January 27. We had a total of **19 AVID All-Stars** (students that received a 3.0-3.49 GPA), **33 AVID Excellence Awards** (students received a 3.5-3.9 GPA) and **23 AVID Scholars** (students received a 4.0 and higher)!

## AVID Senior Standout

Erik Gomez (pictured right) has been a standout since freshman year! He's always been at the top of his AVID class academically.

Not only that, but he is the student who always participates during class discussions, always volunteers to help fellow classmates during tutorial sessions, and always helps at and runs AVID All-Calls. Erik is the AVID Club President this year and has worked hard to bring virtual activities to our program. He is a tremendous soccer player and defines what it means to be a student-athlete. This Winter Formal prince and AVID role model is loved by all his classmates and teachers! Erik has been accepted to Cal Baptist and Cal State San Marcos. He is currently competing for scholarships from OCDE AVID and the Angels Scholarship.

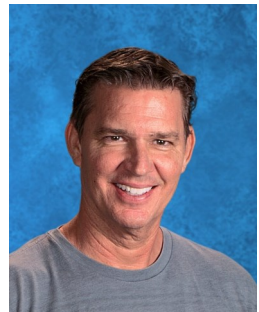

## AVID Teacher Spotlights

AVID 9: **Mr. Moline** ("Mr. Moline teaches us everything we need to learn while making the learning fun. He gives his students chances and adds humor and kindness to his teaching.")

AVID 10: **Mrs. Corrine Valdez** ("Mrs. Valdez makes class time fun and engaging.")

AVID 11: **Mr. Merk** ("Mr. Merk is very understanding and cares about what we learn. He explains things well and gives us time to complete assignments.")

AVID 12: **Ms. Shook** (Ms. Shook's enthusiasm and passion for teaching makes learning exciting. Although this has been a difficult year, Ms. Shook continues to motivate her students and makes school feel manageable.")

## Spotlight Athlete

Mission Viejo girls lacrosse junior standout Jenae Sperling announced on Instagram on Friday that she has committed to study and play Division 1 lacrosse at the University of Oregon.

“Talking to the coaches, they were really inspiring, they were forthright, they had the same values and visions I saw myself and my college future with. I knew that they had what it takes to develop me into the player I wanted to be,” Sperling said. “The team environment and the players were super welcoming, so that was definitely a plus too.”

Sperling, who is the first Oregon commit from the class of 2022 in California, said that she wanted to play in the Pac-12 Conference, home to USC, Stanford, Colorado, Cal and Arizona State. She was also impressed with the beautiful athletic facility at Oregon.

“I think it’ll be super fun. It’ll be definitely be challenging, but it will definitely make us more disciplined when training,” Sperling said about playing in the Pac-12.

Sperling, a member of the 2020 OC National Tournament team, finished her sophomore season with 25 goals and 13 assists, leading Mission Viejo in both categories. Sperling helped the Diablos finish with a record of 3-2 before the season was cut short due to the COVID-19 pandemic.

An interesting fun fact about Sperling’s commitment to Oregon is that she is the fourth girls lacrosse player from her neighborhood to commit to a Division 1 girls lacrosse school. The other three are Megan Armes (St.Mary’s), Shelley Cummings (Fresno State) and Maryn Macha (Cal).

“I grew up playing soccer my whole life and then right as we [my family] moved into this neighborhood, I started meeting all of them and they told me their story and their journey playing lacrosse,” Sperling said.

### ***Tutoring Opportunities***

As we enter the final quarter of our school year, it can be particularly hard to digest some of the curriculum. That's why we have free in-person and virtual tutoring with our select staff members. CSF and NHS student tutors are also available (students who have mastered the material and have experienced curriculum from the same teachers you have currently).

#### ***NHS Peer Tutoring***

NHS is holding virtual peer tutoring every **Tuesday** and **Thursday** during Academic Support (1 - 2:15 pm).

[NHS Tutoring Zoom link](#)

#### ***Staff Lunch Tutoring***

Mission Viejo High School offers in-person tutoring Tuesday, Wednesday, Thursday, and Friday during lunch (12:05-12:45pm). CSF tutors are also available with the staff to help. See the schedule below for details on our informational flyer. We are here to support you!
