

# MVHS – COUNSELOR CONNECTION

## Guidance Newsletter: February 2024

### Hello Diablos!

The second semester is in the swing of things! The Guidance Department is currently working on registering students for their 2024–25 school year classes. In January, the 11th grade students met individually with their Student Service Technician to review their graduation status and senior schedule as well as their Counselor to review their A–G eligibility status and post secondary plan. Please note that 5/30/24 is the last day for students to request a schedule change for next school year.

We are here to help support you this school year! Please visit the [MVHS Guidance page](#) and instagram [@MVHSGuidance](#) to find helpful information.

### Career Week

The week of 2/27–3/1 the counseling department will hold **Career Week for 11th grade students**. Each 11th grade student will have the opportunity to learn about four different careers during tutorial time throughout the week. Sign up information will be sent out to students and families closer to the date!

Our goal is to expose 11th grade students to a variety of careers from professionals in that particular industry. Our guest speakers will talk about what their career is like, how much education is needed, and what are the pros and cons of their career among other insights. Each presentation will last around 20 minutes and there will be 5–10 minutes for answering student’s questions. We hope students will be inspired and consider what careers are interesting to them.

## SOCIAL EMOTIONAL LEARNING

The School Counselors are excited to partner with District Wellness Counselors to provide students with **Mental Wellness Workshops on Tuesday’s during Tutorial starting on February 13th in Room 201!**

**Sign up under Ms. Gusiff on Flex Time!**
