

MVHS – COUNSELOR CONNECTION

Guidance Newsletter: November 2023

Hello Diablos!

November is here, which means Thanksgiving Break is right around the corner! The semester is already over half way complete, which means that students should be working very hard in their classes and communicating with their teachers before grades become final in December. The School Counselors have given "Planning for My Future" lessons to all 11th grade students through English classes. These lessons can be found on the guidance website under grade level information.

We are here to help support you this school year! Please visit the [MVHS Guidance page](#) and instagram [@MVHSGuidance](#) to find helpful information.

SOCIAL EMOTIONAL LEARNING

November is National Gratitude Month! Showing gratitude can help with improving mental and physical health, feeling positive emotions, lowering stress and anxiety, and improving sleep.

Three simple ways to practice gratitude in every day life:

1. In the morning after you wake up, write down 3 things you are grateful for.
2. Tell someone you care about that you are grateful for them.
3. At night before you go to sleep, write down what you were most grateful for that day.
