Summer School

June 5th through June 29th

In-person summer school for math and science recovery as well as continued engagement is being held on our campus this summer. Please plan accordingly when visiting our campus between the hours of 8:30am —12:15pm. Further information may be found at the following link:

<https://www.svusd.org/programs/summerschool>

Message from the Principal

Welcome to our Summer Newsletter! MVHS had a wonderful commencement ceremony on June 1st. In my speech, I encouraged the Senior Class to use their voice, ask the why, work hard to make positive contributions and show respect and kindness along the way. Our amazing graduates are prepared for the next chapter in their lives and we cannot wait to hear of their future contributions to society. I would like to share with you a few of our highlights from this year:

Scholarships: Approximately \$6.5 million dollars in scholarships awarded to the class of 2023. Special Olympics- State recognized Unified Champion school which includes Unified Sports, Arts, Unified PE. It has

been a collective effort for all students to make it successful and continue to promote an inclusive environment for students.

Additionally, I would love to showcase this year's program highlights:

- Agriscience students- They work very hard to train and prepare their animals for show and achieve awards in competitions.
- AVID-Seniors applied to colleges and all accepted. 108 AVID students in the program and the average GPAs are 3.0 or above.
- IB Seniors- Amazing CAS projects and

"Approximately \$6.5 million dollars in scholarships awarded to the class of 2023."

commended for their work with the community.

- Chamber Singers & Treble Choir had a successful Nashville Tour competing against 28 high schools and bringing home awards and performing at the Grand Ole Opry.
- Drama-Won awards in the Orange County Cappies and JRays for performances in Twelfth Night and Cinderella.
- Engineering- Seniors took 1st place in the OC Maker competition- continued...

Principal's Message Continued from front page:

- beating out 24 other teams in the county with their invention of the "Kibble cover."
- Instrumental Music program continues to thrive.
- Diablo Dispatch School Newspaper- The Dispatch had four students published in the LA Times High School Insider this year...two seniors, a sophomore, and a freshman.
- Yearbook-Honored by Jostens publishing won an *Outstanding Achievement* award for design and leadership.

In athletics, MVHS ranked #5 in a list of Best High Schools for sports in California! With thousands of schools in CA, we are proud to be at the top. Football team South Coast League Champions and #3 in the state of CA, Girls Soccer Sea View League Champions, Boys Volleyball Sea View League Champions. CIF qualifiers in boys and girls swim and dive, Boys and girls wrestling, cross country and CIF Academic Team award winners. Boys and Girls Track and Field athletes

competing at state and for 11 years in a row. 21 seniors signed National Letter of Intent to play at the collegiate level which equates to approx. 2.3 million in athletics scholarships. In closing, thank you to our teachers, staff, and students for an amazing 2022-23 school year. A special thank you to our wonderful PTSO, Boosters, and parent volunteers for your support, donations, and volunteer work to our many programs. Best wishes for a safe and restful summer!

Thank you,

Tricia Osborne

Principal

Go Diablos!

Future Ready

In October, MVHS hosted a Future Ready event in partnership with the Orange County Department of Education. In this two-day event, over 400 seniors met and worked on their college applications directly with representatives from community colleges, UC, Cal States, a variety of military branches, out of state, and private universities. Additionally, financial aid representatives presented to students on the FASFA application and how to pay for college. With the support of our guidance team, the students were given the time and space to research scholarships and gain more insight on the NCAA eligibility process for student athletes. MVHS continues to spark students' passion for higher education with events like Future Ready and we look forward to this event next year. [Future Ready: Mission Accomplished Video Link](#)

Staff Highlights

Sandra Hanneman - SVUSD Teacher of the Year

This is Mrs. Hanneman's 16th year of teaching. She teaches Spanish Language AP and Spanish 5HL2. She is commended for building trust with her students. Students feel safe in her classroom and take risks to express themselves in the language freely. Her teaching strategies revolve around helping students feel confident to take those risks; setting a tone in the classroom that welcomes mistakes to help students learn and improve from those mistakes. Congrats Mrs. Hanneman!

Gloria Alvarez - MVHS Classified Employee of the Year

In the words of an MVHS teacher about Ms. Alvarez, "She is wonderful; she currently works as a Student Service Technician, but she is much more than that. Not only does she work with the counseling office making sure that every one of her students has all the classes they need for graduation; she creates a special relationship with the students. She will listen to the students without judging, every one of her students will make sure they find her if they are having problems with their schedules. She will stop whatever she is doing to help whoever needs help. Not only is she beloved by all her students, if there is any teacher that needs help, she will make sure that she lends a helping hand."

MVHS Art Teacher Seth Thompson was featured in eNews! Please click on the link below to watch this SV Connects edition. We appreciate Seth for his willingness to open his classroom to showcase the program and our talented students.
<https://bit.ly/MVHSArtVoice>

Congratulations to the MVHS Social Science Teacher, Kimberly Gerwatosky, for her selection as the California Association of IB World Schools Exemplary International Baccalaureate Educator of the Year Award.

Her passion and commitment for IB education is evident to all. Mrs. Gerwatosky teaches students the skills and tools to both engage in critical analysis and how to express their views with purpose. Her enthusiasm and dedication distinguish her as an outstanding educator.

CAWS
California Association
of IB World Schools

Assorted Accolades

Kiwanis Awards

Each year the Kiwanis Club of Mission Viejo honors students who exemplify extraordinary community service, citizenship, academic achievement, or outstanding improvement. Three of our students were introduced and given certificates, Aria Morill, Gianna Lopez and Lauren Hendrawan, who then celebrated with our Principal Tricia Osborne. Way to go Diablos!

Journalism Spotlight

Two journalism students competed in the Southern California Journalism Education Association on Saturday against the best high school journalists in all of Southern California, and sophomore **Aubrey Bertino won second place in Feature!** This is the first time Mission has ever had a student place that high in the competition. Congrats to Aubrey! If you haven't checked out her brilliant *LA Times* cover article on *The Last of Us*, you can enjoy it here: <https://bit.ly/AubreyLA>

In addition, *The Dispatch* had four students (Sophie McLean, Jim Marsoobian, Judd Karn, and Aubrey Bertino) publish in the *LA Times High School Insider* this year. Their featured columns may also be found here: <https://highschool.latimes.com/>

Good Citizenship

Brent Van der Linden was recently awarded the National Society Daughters of the American Revolution's Good Citizen Scholarship by their Mission Viejo Chapter. "This award recognizes and rewards high school seniors who possess the qualities of dependability, service, leadership, and patriotism in their homes, schools, and communities." Candidates who demonstrate these qualities to an outstanding degree must be selected by their peers and teachers to qualify.

Chemistry Formulas in the DNA

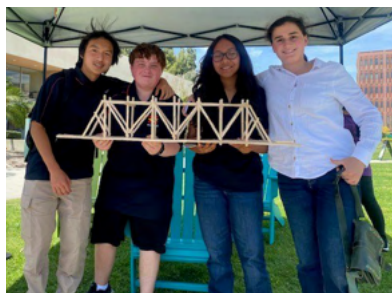

MVHS sophomore Rowan Weiss was recognized by the OC American Chemical Society Education Committee. Rowan is the first year winner at the 57th annual American Chemical First Year Chemistry Test Awards Dinner. A total of 193 students from 27 high schools, both public and private, were registered to participate.

For more than 50 years, the American Chemical Society has recognized outstanding chemistry students who have participated in the ACS testing program. Rowan Weiss honors MVHS bringing his achievement home.

Building Bridges

Diablo engineering students participated in the annual Popsicle Stick Bridge Competition (PSBC), now in its 29th annual year, which brings together hundreds of local high school students to participate in a full-day competition to celebrate the engineering profession.

Prior to the event day, the students prepared technical reports, display boards, presentations, and of course – they build their Popsicle stick bridges! The rules and specifications for bridge design change each year so it was critical that the students read through and follow all instructions.

On the day of the event, the Diablo students and their bridges felt the weight! Volunteers from the civil engineering profession and local college campuses served as judges testing the bridges; scoring technical papers, display boards, and presentations; hosting additional impromptu competitions; and gave tours. The competition is a great opportunity to emphasize the benefits of pursuing higher education and careers in science, technology, engineering, and mathematics while promoting the engineering profession in our community.

Congrats to Mr. Miranda and our Diablo students for taking home 12 medals in the Bridge Category, including the 2nd and 3rd places in Technical Report Writing as well as the 3rd place Problem Solving Activity.

Our Diablo engineering students have been busy also visiting Applied Medical Research and the OC Maker Competition!

AVID Standing Out

Orange County AVID celebrated two of our AVID seniors at the UCI Barclay Theater during the AVID Senior Standout and Scholarship night. We are proud to announce that **Ethan Beltran De Anda**, our AVID 2023 Senior Standout, won a \$2,500 scholarship last night. In addition, **Maya Cortez** was awarded a \$5,000 scholarship for her academic success.

They were competing against all of the AVID Senior Standouts and top AVID students in Orange County. (Each school was only allowed to have one applicant per ten AVID seniors apply.) Many high schools walked away with no scholarships, so to have two students from our school earn them is amazing.

Ethan stood out beginning his freshman year not only because he was so mature and diligent, but also because his schedule was full of honors/AP level courses which he continued throughout high school. He has consistently won top GPA awards in AVID, and last year, he earned the Diablo Excellence Award, an award given to only 10% of the student population. Ethan has demonstrated his passion for engineering courses all four years and has served as the secretary for the Future Engineering and Medical Professionals organization. He truly is a standout!

Promising Future

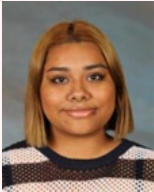

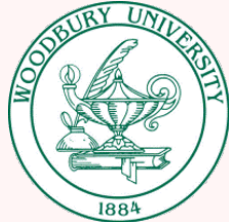

For the sixth year, 177 students received the Saddleback Community College Promise Scholarship that awarded students two free years of college.

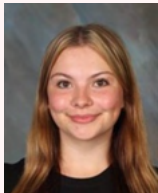

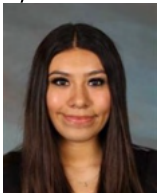

Students were awarded based on their FAFSA with the expectation that they must maintain 12 units, complete English and Math requirements their first year, and maintain a 2.0 GPA.

"AVID believes that it is never about the minimum. To me, it means going above and beyond expectations. They helped me realize that I am capable of reaching my goals by always doing my best. In all that I do."

Finally, it's that time of year when we celebrate our seniors and their future plans. The AVID seniors have finally decided where they are heading, and we couldn't be more excited for them and proud of their accomplishments. Many of these students are the first generation in their families to attend college. Some of them are even the first in their families to graduate high school! Please congratulate the students on the following AVID Class of 2023 pages for all their hard work and accomplishments!

Name	Major	Accepted To	Will Attend

Diablo Sport Spotlights

Racing for Success

MVHS Boys Cross Country Team was recognized at the May Board Meeting for the Academic Team GPA award. Congratulations to Head Coach Robert Belo and our student-athletes. Two MVHS seniors Jeremy Li and Sara Asad received recognition as the CIF Southern Section Student-Athletes of the Year! Sara will attend UCSD, majoring in Economics. Jeremy will attend NYU, majoring in Business and continuing to play volleyball. Thank you to Head Coaches Mayra Belo, Robert Belo, Jessica Barber, and Ryan Thurlow for attending the presentations.

MVHS Boys and Girls Track and Field won the 2023 Earl Engman Sweepstakes Award! Congrats to Head Coaches Mike Hoffman and Brett Paton, coaching staff, and our student-athletes!

Emily Psarras came in 1st in javelin at the Cal State Games and her best throw was 112 ft! Emily signed with the University of Arizona.

Congrats Nick Card for placing 3rd in the State in 400-meter Ambulatory Para Division.

Congrats to Jada Gatlin for placing 3rd in the State in the triple jump.

Patrick Sandoval (Angels) against Tanner Bibee (Guardians), both pitchers, played May 14th. BOTH former Diablos!! This was a once in a lifetime event and Diablo students and faculty tuned in to celebrate the Angels vs Guardians game. Having two of our alumni playing in the majors is one thing... having both competing against each other was a total next level!!!

Diablo Sport Spotlights

Congrats to Boys' Swim for placing 6th in CIF Division 2. Joey Chang qualified for the CIF State in the 50 and 100 freestyle.

Alexis Unter earned double gold in the 50 and 100 Freestyle and is the Paralympic California State Champion!

You can enjoy a recap of Alexis' race here:

<https://twitter.com/i/status/1654623030876161>.

Big Splash

Congrats to Head Coach Garcia and our student-athletes! At the CIF Prelims, MVHS swimmers achieved the top 9 times and will compete tomorrow afternoon in the CIF finals. Senior Joey Chang (attending West Point) will be attempting to swim for two CIF championships in the sprint Freestyle events. Andy shared the below events and competitors for CIF Finals:

Joey Chang (Sr): 50 Free (seeded 1 st), 100 Free (seeded 2 nd)	Ben Gallegos (Jr): 50 Free (seeded 10 th), 500 Free (seeded 8 th)
--	---

4x50 Freestyle Relay (seeded 5th): Troy Davidson (FR), Blake Skidmore (So), Ben Gallegos (Jr), Joey Chang (Sr)

Junior Caroline Roelen finished 1st in Sea View League CVAA

Clean Sweep

With the 2nd league title for boys' volleyball in MVHS history, the team is undefeated 9-0. The first Sea View League title was 2019, but this year was the first time being undefeated in league.

Congratulations to Head Coach Ryan Thurlow, Assistant Coach Mark Metrakos and our student-athletes for capturing the league title.

2023 OCADA Athletes of Character

Each year the Orange County Athletic Directors Association honors Athletes of Character who are selected by their schools in recognition of the athletes' sportsmanship and leadership. Jada Gatlin was honored for Track and Field and Carter Boskovich was honored for Football.

Going the Distance

Congrats to Diablo Troy Turner for winning the Oso 5K put on by the City of Mission Viejo!

MVHS DRAMA CAPPIES AND JRAYS AWARDS AND NOMINATIONS

Orange County Cappies

Nominations:

- Best Featured Actress in a Play - Bella Swanson as Malvolio in *Twelfth Night*
- Supporting Actress in a Play - Elena Shumaker as Sir Toby in *Twelfth Night*
- Comic Actress in a Play - Brooke Metoyer as the Fool in *Twelfth Night*
- Cameo Actress in a Musical - Ella Njike-Chatien as Grandma in *Cinderella*
- Comic Actress in a Musical - Bella Swanson as Portia in *Cinderella*
- Best Freshman Critic - Sam Troutman
- Best Sophomore Critic - Kristina Gist
- Best Junior Critic - Brooke Metoyer
- Commendees - Parmida Ganji, Gianna Lopez, Hannah Stonebarger and Liliana Seaver

Winners:

- Bella Swanson - Best Featured Actress in a Play
- Ella Njike-Chatien - Best Cameo Actress in a Musical
- Brooke Metoyer - Best Comic Actress in a Play

JRAYS

Nominations:

- Comedienne - Bella Swanson as Portia in *Cinderella*
- Comedienne - Elena Shumaker as Joy in *Cinderella*
- Outstanding Ensemble Member - Ella Njike Chatien as Grandma in *Cinderella*
- Featured Actress - Brooke Metoyer as Herald in *Cinderella*

Winner:

- Brooke Metoyer - Featured Actress

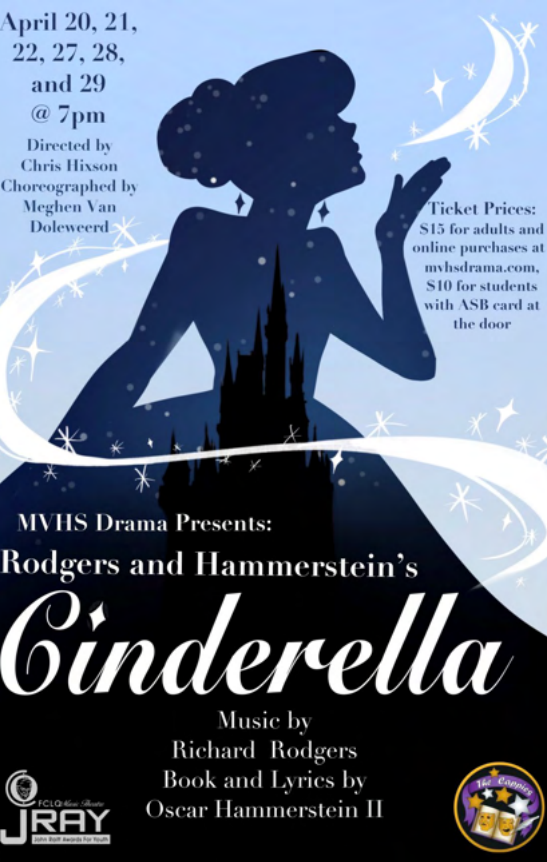

MVHS Drama 3 presented in January their production of *Bedtime Stories* (as told by our dad) (who messed them up) to four elementary schools. Pictured right is 320 students in our Performing Arts Theater full of excitement as our thespians retold some fairytale classics to a possibly familiar off-kilter version. Our drama students' energy was contagious and, fortunately for their additional 2-night run, audience members old and young were able to enjoy *Bedtime Stories*!

The HL 1 and 2 Drama class would like to remind you to leave your agent at the door and hope that "All's well that ends well" as they performed snippets of *Romeo and Juliet* amidst *Bad Auditions By Bad Actors* on February 23 and 24. This was a jointly directed show by seniors Sammi Corwin, Parmida Ganji, Gianna Lopez, and Josh Medeiros. Our junior year drama students made up the cast of creatives. This was a screwball comedy of Shakespearean proportions with each twist and turn of the plot hairier than the last. A great night was had by all!

Mission Viejo High School Drama performed Rodgers and Hammerstein's *Cinderella* in April as their concluding production for the 2022/2023 school year. This classic tale took 50 students three months to put together and perform for nearly packed houses over the course of six performances. The show was evaluated by the student led Cappies critics group and the John Raitt Awards for Youth adjudicators. Actors Bella Swanson, Elena Shumaker, Brooke Metoyer, and Ella Njike-Chatien all received recognition and nominations for their performances. It was a magical production and a fitting way to end a wonderful school year in the performing arts.

Music

MVHS Chamber Singers and Treble Choir

MVHS Chamber Singers & Treble Choir enjoyed an incredibly successful Nashville Tour this past weekend. Competing against 28 high schools centered from the Midwest with choral programs upwards of 250 students, our Diablos showed out by taking home 2nd (Chamber Singers) & 3rd (Treble Choir) in their divisions. Our Chamber Singers also earned Sweepstakes for scoring in the top percentage of the entire event that spanned two full days and two separate sites of competition!

In addition to our choral performance, our students were able to soak in all that the greater Nashville had to offer. The students were given

opportunities to work with Dr. Tucker Biddlecombe of Vanderbilt University as well as performances at the Country Music Hall of Fame, the current Grand Ole Opry and the Ryman Auditorium during their time in the city. They even had the opportunity to tour and record in the famous RCA Studio B... home to the oldest recording studio in Nashville and where such artists like Elvis recorded hit after hit! From US historical sites such as the Civil War Battlefields in Franklin and the Hermitage (home of President Andrew Jackson), to music history at the Country Music Hall of Fame and The Ryman

Auditorium (former home of the Grand Ole Opry) our students continued their educational knowledge that spanned far beyond the classroom.

MVHS Treble Choir and Chamber Singers performed at the Music in the Parks competition where both choirs took home 1st place in their divisions! Additionally, our Chamber Singers were awarded top honors with a score of 98.5/100 as the highest rated choir over the two day competition. Also, we had two students win individual awards! Congrats to freshman Elizabeth Tiangco who was awarded Best Student Accompanist for her work on the piano and the award for Best Vocalist went to freshman Tristan Fordham for his work as a soloist with our Chamber Singers. This is one of Sarah's youngest choirs and she is so proud of them!

Setting Sail For Adventure

MVHS' Oceanography program (former Marine Bio), set sail during arguably one of the stormiest and wettest years we've had in history on what is now our 18th voyage to Catalina Island Marine Institute (CIMI) for 3 wondrous days at the end of March. The trip over was thrilling with students actively experiencing both seas and swells as they learned the differences as well as the physics of when they interact to create larger than predicted waves while safely aboard the Catalina King. Once

on the island, students settled into their bunks in the repurposed military barracks turned boys dormitory turned sea camp buildings of Bald Eagle and Barracuda. After a much earned lunch, students were whisked away to

assorted labs that focused on the local marine life, island topography, and island ecology. Students went eeling (a catch and release technique of catching moray eels with squid, binder clips, and fishing poles) through a tidepool investigation lab after an immersive orientation snorkel which prepared our resilient group for the voluntary night snorkel. Most of the students chose to see the nightly bioluminescent phenomena as they braved the especially cold evening rather than do the astronomy hike which also offered unique views of the constellations and local terrain. Our nocturnal

snorkelers especially appreciated the warmer water temperature phenomena of the ocean's heat capacity. Students who woke up early for our sunrise hike were also treated to a rare occurrence. Not only did we have a rainbow over camp, we had a **DOUBLE RAINBOW!** We had a little rain, which shied away the bison, but brought the local deer and foxes complete with a babbling brook to camp as well as a large pod of dolphins to our bay for those who kept their eyes peeled. Soon enough, our time on the island had come to an end and we enjoyed one last pod of dolphins on our way back with smooth sailing and a classic California touch of traffic. It was such a pleasure having such an amazing, resilient, and fun group of Catalina campers who carried the tradition well. We look forward to our next crew March 27-29 of 2024!

UCI Medical Outreach

Our Anatomy/Physiology teacher, Lisa Miller was able to gain access to a wonderful opportunity with our students. The much sought after fieldtrip offered by the Department of Urology at the University of California, Irvine (UCI) finally moved her from the waitlist. UCI touts itself for being passionate about giving back to the next generation and inspiring young minds to search out new possibilities for their future. Since 2008, UCI has held the Orange County High School Outreach Program designed for mature high school students, 15 years and older, who have excelled academically and may have an interest in the health sciences. This unique half day program allows students to gain hands-on experience in the medical field, which includes:

- 50-minute didactic session on concepts in creativity and the progress being made in the realm of surgery with regard to innovation in less invasive surgery and advances in computer technology. This lecture is provided by a world renown surgeon and medical device innovator. A student focused question and answer period follows the presentation.
- Individual student hands-on laboratory experience with a highly motivated team of instructors; skills taught include surgical knot tying, endoscopic exercises, laparoscopic skills, and robotic suturing. A daVinci surgical robot is in the laboratory and each student has an opportunity to operate the robot.
- Complimentary breakfast and lunch during which time students have the opportunity to speak with various people committed to the health sciences: premed undergraduates, medical students, residents and/or surgical fellows.

ASB Highlights

Who's that Mission Student?!

At the 2023 Mission Prom: Masquerade Ball, you might not know who was behind the mask but you definitely knew they were having a good time. Seniors and Juniors danced the night away at the Coto Valley Country Club on May 13th. The dance had a D.J., live swing band, games, smore's and even a roaming magician. It was a magical night indeed. Mission also crowned the Prom Royalty. This honor went to Cameron Khan and Ethan Beltran De Anda.

Clash of the Classes

On Wednesday May 17th, Mission Viejo students came together to battle it out to determine which of the grades has the greatest school spirit. The Seniors came into the rally with a solid lead over the Juniors. After 45 minutes in the stadium of racing, cheering, jumping and running the Seniors managed to stay on top. They celebrated that afternoon with lunch from the TK truck in the Gym Quad.

MV Community of Character and VAPA

MV Community of Character

This year marks the 20th Anniversary of the Mission Viejo Community of Character program! The City of Mission Viejo held a celebration and dinner on April 30 at the Norman P. Murray Center. Mayor Pro Team Trish Kelley brought the Community of Character program to Mission Viejo in 2003. Pictured (L) U.S. Representative Young Kim, SVUSD Board President Barbara Schulman, Principal Tricia Osborne, SVUSD Board Clerk Suzie R. Swartz, MVHS PTSO Parent Alyssa Karn, MVHS PTSO Parent Michele Sparks, Mayor Pro Tem Kelley.

Visual and Performing Arts Appreciation Week

MVHS VAPA Department has been exceptionally busy! We enjoyed attending the HL1 and HL2 drama production *Bad Auditions* by *Bad Actors* directed by Sammi Corwin, Parmida Ganji, Gianna Lopez, and Joshua Medeiros and produced by Chris Hixson. Mr. Hixson allowed his seniors to work together as a collective directing team and our seniors shined! Under the advisement of the Director of Choral Music Sarah Norris, the Tri-M Music Honor Society hosted their annual variety show. This show was student-led and of course, our Diablos were fantastic! Last week, the Instrumental Music Program presented their Pre Festival Concert conducted by Doug Meeuwssen. Look at the smiles on our Orchestra and Wind Ensemble students...beautiful music!

Summer Assignments

Our rigorous courses sometimes require a little preparation for the best setup for success. Make sure you check if one or more of your courses require this so you can start August 14th refreshed, prepared, and set to tackle another great year here at Mission Viejo High School.

<https://bit.ly/SummerAssignmentsMVHS>

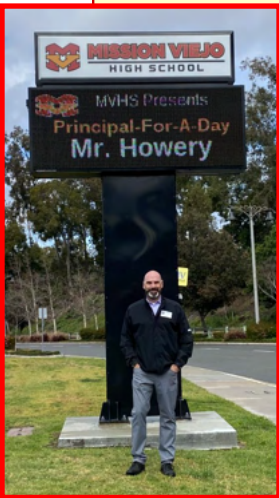

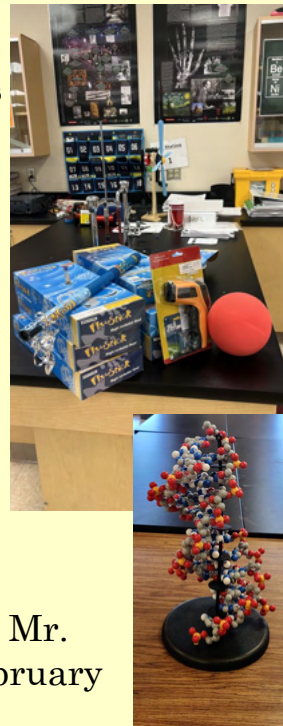

Come support our agriscience program as our hardworking students compete at the annual OC Fair. The fair will be running July 14th through August 13th this summer. Check the official website for schedule specifics so you won't miss any of the action!

Special Thanks

To our wonderful PTSO who granted our teachers with assorted supplies for drama production crews, provided fly sticks (students can explore with static electricity), a red doppler ball (Students hear the apparent change in frequency (pitch) of sound), an infrared thermometer for labs needing to take temperature of a solid substance for physics, and a magnetic DNA model for biology. They've also provided countless luncheons and support for our staff and students. Thank you!

A shout-out to our Principal for a Day, Mr. Mark Howery, which took place on February 23rd. Mr. Howery, who is a franchise operator of two Chick-fil-A's, enjoyed seeing his support in action. He's truly earned the distinction of an honorary alumnus for all his support. Thank you!

Important upcoming dates to remember:

July 12—August 1 — Data Confirmation Window Open

August 1—2 — Diablo Days Registration

August 14 — First Day of School 2023-24

Don't Forget to Check the Guidance Website for Further Details!

Thank you!

A special shout out to our local businesses:
