

Esperanza Birthday Club

Esperanza Birthday Club sign-ups are starting today!! Our school's wonderful tradition of celebrating the birthdays of the Esperanza Special Education School's students will start in October. Each month, a group of our Birthday Club students will visit their campus next door for a celebration. The students will leave campus at 12:16 pm and return at 1:15 pm. Since so many La Paz students join Birthday Club, students will get to go on a rotating basis. When their name appears on the monthly list, it will be their responsibility to have an additional written permission form signed by all of their teachers. The list will be posted and the form will be available 1 week prior to the Birthday Club day each month and students will need to turn it in when they attend. If the teacher permission slip is not turned in they will not be allowed to participate on the day of the event. Students will be missing their usual lunch time on this day and may want to bring a sack lunch. **To maintain the privilege of participating in this club, grades and citizenship must meet their parents' and teachers' standards.**

Esperanza students look forward to this day all month long. The La Paz students pass out birthday pennants and let that month's birthday students choose a gift from the birthday basket. After singing the "Happy Birthday Esperanza" song, all of the students participate in a very energetic dance party. La Paz and Esperanza students leave the party exhausted and smiling, anticipating next month's return. In addition to Birthday Club, students will be chosen to attend Esperanza's annual Olympic Day where they cheer on the athletes.

Please complete the attached form and return it to the Esperanza Birthday Club bin in the front office.

If you have any questions, please feel free to contact the STPO Esperanza Birthday Club committee chair person:
