Student Responsibilities for usage of classroom Chromebooks:

I understand that use of the school computers is a privilege designed to enhance my education. I understand and agree to follow the basic rules for Chromebook/computer use:

- I will clear the aisles of backpacks, notebooks, and other items that may cause a tripping hazard.
- I will carefully inspect the Chromebook/computer and will report any damage to my teacher immediately.
- I will not touch the Chromebook/computer screen, nor fiddle with any component of the Chromebook/computer, such as latches, keyboards, switches, or change any settings.
- I will not place opened food, candy, or beverage containers near the Chromebook/computer.
- I will take responsibility for the safety of the Chromebook/computer that has been assigned to me.
- I will not engage in activities during class that may distract others or myself from remaining on task. This includes use of any screens or programs other than the one specified by the teacher for instructional use at the moment or failing to respond to verbal instructions.
- I will abide by the SVUSD’s Internet Users Agreement and all other school rules that apply.
- I understand that each classroom teacher may have additional policies I will be expected to follow.

Failure to follow the established guidelines may result in the following:

- 1st violation: referral to Assistant Principal and warning
- 2nd violation: detention
- 3rd violation: temporary loss of privilege of use of Chromebooks/technology in class
- 4th violation: permanent loss of privilege of use of Chromebooks/technology in class
- Financial responsibility for repairs of damaged equipment

Voluntary Student Mobile Device or Technology Permission

I wish to have my student participate in the mobile device program (please circle one): YES  NO

Please circle all types of devices that your student has permission to bring and use in school:

Cell phone  Tablet  Laptop  Chromebook  Other: _________

The security and usage policy states that the mobile device and/or computer is the responsibility of the student and parent. It is important to also note that the Technology Usage Agreement also releases the liability for the school and the school district if mobile devices, laptops, or Chromebooks brought from home are broken or stolen. Any inappropriate applications, documents, content, images, or sound bites that are brought to school on the computer from home will be handled in accordance with our progressive discipline guidelines that are published in the SVUSD handbook.
