Trustee Winchell agrees with Superintendent Turner and Trustee Walsh that it was a gratifying evening to see all of the student and staff successes that were celebrated.

Trustee Wong attended the retirement celebration of Dr. Callison who he has known for over thirty years. He also attended the Orange County School Boards Association meeting. He had a wonderful time at the classified employee reception and shadowed an employee in Food Services who starts her day at 3:30 a.m. Meals were being prepared for over 9,000 students and it is amazing that most of the meals are made fresh daily. In addition, he attended the ROP awards where Sasha Fant, one of our student representatives, received an award. He enjoyed the Community Recognition Dinner and the Two-Way Immersion Recognition Ceremony and looks forward to attending graduation ceremonies.

Trustee Swartz congratulated Daniel Choi on his acceptance to Stanford University. It was wonderful to participate and witness the celebration of students and staff along with employees who are retiring. She thanked staff for facilitating the celebrations.

President Morrell had a very positive experience shadowing a Student Services Technician at El Toro High School. It was interesting to see the skills and technical knowledge needed to be successful in that position. She hopes that the program is continued and expanded next year.
