

CalABLE Deputy Executive Director, Carrie Fisher Stone, is coming to Orange County on Wednesday, February 27, 2019!

Please join us on February 27 at 12:00pm to learn about California's newly-launched ABLÉ Account, CalABLE. **Hear directly from CalABLE's Deputy Executive Director, Carrie Fisher Stone, about CalABLE and how you can save and invest money without losing eligibility for certain public benefits, like Medi-Cal and SSI.** Earnings in your ABLÉ Account are not subject to federal or California state income tax, so long as you spend them on "Qualified Disability Expenses."

If you don't yet have an ABLÉ account or are looking to transfer your out-of-state ABLÉ account to California, you don't want to miss this opportunity to learn more about this program! Get the information you need and want directly from CalABLE! In addition to a program overview, there will be time for questions and answers.
