6	4028	Math 7 STEAM	21			C	C	B	B			

The Second Trimester grades (circled above in red) show the lowest grade that your student can receive in this class. Trimester elective courses do not have a “Hold Harmless” policy and the grade will be Credit/Incomplete as the default, with the same A-C letter grade option.

To view the grade your student currently has in each class, go to the Gradebook page in the portal.

Your student's final (3rd Trimester) grade will be “CR” (Credit, with no effect on GPA) for letter grades A-D unless your student opts to receive a letter grade on June 8th.

Your student's final (3rd Trimester) grade will be “I” (Incomplete, no credit received, with no effect on GPA) for letter grade F.

If your student opts to receive a letter grade on their report card, they will receive the higher grade between the grade on their 2nd Trimester Report Card as of June 5, 2020 (circled in red above) or their current Gradebook grade (circled in red to the left). The opt in for letter grades is for A-C only.
