

Checking Your Student's Silverado Progress Grade

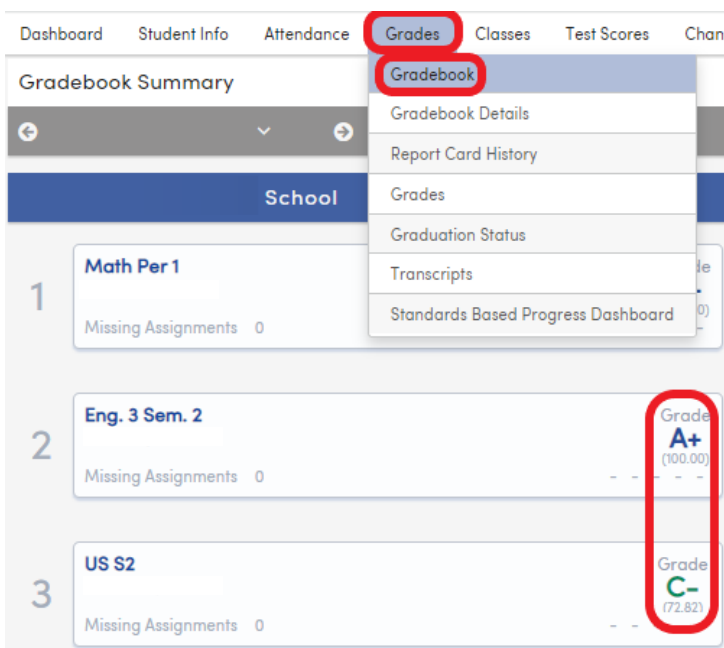

Log into the Family Portal at <https://familyportal.svUSD.org>

Go to the Grades page.

The grades highlighted in yellow are the current progress grades for each class. The trimester grades at SHS do not have a “hold harmless” point. The grade at the end of the trimester will be the final grade for the course (credit/Incomplete or A-C letter grade).

To view the grade your student currently has in each class, go to the Gradebook page in the portal (circled in red to the left).

Your student's final (3rd Trimester) grade will be “CR” (Credit, with no effect on GPA) for letter grades A-D unless your student opts to receive a letter grade on June 8th by 4PM.

Your student's final (3rd Trimester) grade will be “I” (Incomplete, no credit received, with no effect on GPA) for letter grade F.

If your student opts to receive a letter grade on their report card, they will receive their trimester 3 final grade. The opt in for letter grades is for A-C only.
