- ◆ Advanced Visual Imagery

The above CTE Courses are being offered for the 2021-22 school year. Most CTE courses meet the District one-year Visual and Performing Arts/World Language/Career Technical Education graduation requirement. In addition, most CTE courses articulate with a Community College and meet one of the CSU/UC "a-g" requirements. Please see the High School Registration Guide for more information.

CTE PROGRAMS PREPARE STUDENTS FOR COLLEGE AND CAREERS!
