CULINARY ARTS PATHWAY

Servsafe in Food Production
Introduction to Culinary Arts

- ◆ Students will gain a general understanding of cooking practices while developing professional culinary art skills. Basic information on food safety risks, standards, and practices in restaurant operations are covered.
- ◆ Upon completion of these courses, students can earn **FREE** college credit.

The above CTE courses are being offered for the 2023-24 school year. Please see your counselor for more information about this course sequence.

Visit: [SVUSD CTE Website](#) for more information.

CTE PATHWAYS PREPARE STUDENTS FOR COLLEGE AND CAREERS!
