How Lion's Heart Works

Join as a Group, Individual or Family

Lion's Heart is not a fundraising organization, instead, members are encouraged to give back to their communities in meaningful ways while building empathy and positive leadership skills.

Login to your Member Portal

Through the Lion's Heart digital portal, members track hours, earn leadership awards, and if teens, export their service portfolio to use on scholarship, college, and career applications.

Volunteer and Log Your Hours

Our vision is to see a world of engaged youth who volunteer in their communities and become dedicated to creating positive social impact for life; because it truly matters.

MODERNIZING THE
VOLUNTEER EXPERIENCE AND
MAKING IT YOUTH FRIENDLY.
