How Lion's Heart Works

Join as a Group or Individual

One-time enrollment fee is \$69 plus annual dues of \$110.

Lion's Heart is not a fundraising organization, instead, members are encouraged to give back to their communities in meaningful ways while building empathy and positive leadership skills.

Login to your Member Portal

Through the Lion's Heart digital portal, members track hours, earn leadership awards, and if teens, export their service portfolio to use on scholarship, college, and career applications.

Volunteer and Log Your Hours

Export your Volunteer Digital Transcript with leadership, hours, causes, and awards to send to colleges through Parchment!
