

ELEMENTARY PRINCIPAL II**DEFINITION:**

Under the direction of the Director of Elementary Education, perform in a single or dual role to coordinate District programs and/or serve as an educational leader and chief executive of a school responsible for the planning, coordination, and directing of activities and programs related to the administration of the elementary school according to State and District mandates.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Provide leadership to the professional staff in determining objectives and identifying school or program needs as the basis for developing long and short range plans for the school(s); coordinate site selected and mandated assessment instruments and programs; utilize data to create/revise goals and to allocate resources.
- Lead the overall instructional program at the school and provide District leadership for the District wide program(s) assigned; interpret and implement the District approved curriculum program in the light of individual school needs; provide for appropriate facilities, equipment and supplies.
- Screen, select, assign, supervise, and evaluate performance of certificated and classified staff members; motivate employee performance and enhance morale.
- Assist in planning, organizing, implementing District staff development and training; provide guidance to teaching staff in the implementation of the State frameworks, standards and SVUSD curriculum; encourage and support professional growth for all staff members; participate in own professional growth.
- Assign all students in such a way as to encourage their optimal growth and make periodic appraisals of their progress; advise, counsel, and assist instructional, support, and ancillary personnel in problem solving activities pertaining to student performance and behavior to determine appropriate solutions.
- Attend Student Study Team and Individual Educational Planning meetings, as appropriate; maintain liaison with District student services personnel, including psychologists, speech therapists, nurses, etc.
- Coordinate and manage support programs at the school for students with special needs.
- Oversee the supervision of student enrollment, records, attendance and health requirements.
- Plan, schedule and supervise student activities.
- Develop school plans and organizational procedures for the health, safety, discipline, and conduct of the students as established by District policies and State law; provide for the implementation of appropriate student discipline.
- Maintain effective community relations; serve as the primary source of information to the respective community; initiate and implement communication to parents regarding all phases of the education program; carry out a program of community relations as a means of taking the initiative in interpreting and furthering school programs through parent groups and other community organizations.
- Serve as a District officer in the communications between the central administration and all building employees in the school and interpret, support, and implement District and State policies and procedures.
- Responsible for the entire operational effectiveness of the school and assigned program(s); plan, supervise and direct the business operation of the school in accordance with District policy and procedures.
- Oversee budget planning and expenditure control process for site and or assigned program(s).
- Perform other duties as assigned.
