Subject: Cielo Vista ES Meeting Notes

Meeting Location: Cielo Vista ES

Project: SVUSD Facilities Master Plan 2019

PBK Project No.: 17331

Site:

- Exterior lighting needed
- Existing light at lower parking lot do not come on
- Concrete is not level in some areas
- Upper quad tree grate-three died and need to replace
- Toy areas need rubber play surface
- Room 17 has no gutter and the concrete was installed, but there is no drain
- Lunch shelter is new but not large enough to adequately fit students
- Portable gutters need to be replaced
- Roof leaks sporadically
- HVAC needs to be repaired or replaced to remedy issues
- No dedicated faculty lot
 - Drop off is not safe (there is no drop off at all)
 - Not adequate
 - Dropping off at street
- Occupancy sensors need adjusting (many don't work)
- Low-light levels on campus and parking areas
- Better lighting in courtyard for evening events
- Re-work curtains into MPR and more storage
- Install shade between portables
- Muddy areas on the field need synthetic turf
- Install drinking fountain with water bottle filler
- Some security camera are not working and some areas are not covered

Next Generation Classroom:

- Need more chrome carts and charging stations for iPad
- Need hooks for backpacks
- Install 21st century flex seating/tables/dry erase tables
- Better projectors in portables
- Would like moveable, ergonomic furniture
- Curtains or blinds in the classrooms

Technology:

- Would like more TRAINING for smart boards
- Would like projectors
- Would like sound systems
- Would like computer lab
- Would like STEAM lab

Support Space:

- Kindergarten play area is dated and not large enough
- Install seating and shade structure at lower fields
- There should be one access point to the campus – it's currently open
- Science labs would be helpful
- Lunch tables are in poor shape
- Lunch set up- better way to serve (set up folding tables each day, rolling door)
- Portables display wall for current events
- Standing work stations for teachers (behind stage)
- Would like a projector in the MPR

General:

- School is dated and in poor condition
