

Site Meeting Notes

Meeting Date: 11/16/17

Subject: Del Lago ES Meeting Notes

Meeting Location: Del Lago ES

Project: SVUSD Facilities Master Plan 2019

PBK Project No.: 17331

Site:

- Erosion down ramp and in front of portables (rear of school)
- Area drains often get clogged
- Kinder playground floods
- Back slope security concern - open before/after, locked during
- Wayfinding signage to MPR (election day for example)
- Unauthorized visitors wall all the way through campus
- Site lighting—low levels
- Parking lot lighting shuts off at night
- Portables are in bad shape
- Skirting poor conditions, ramp poor condition
- Drinking fountains—weak water flow
- Need water bottle fillers
- Portables' and Bldg. A AC needs repaired
- Repair roof leaks
- The water pressure does not work adequately
- Marquee is dated
- Security concern at ramp at Pedroso (large enough for car)
- Security concern at ramp at Los Alisos and fields

Next Generation Classroom:

- No smart boards, more Chromebook
- Furniture (desks/chairs) are old, chairs don't match
- Moveable walls for co-teaching (across hallways)
- No lab stations for STEAM lab (only portable with sink) – need better equipment
- A science lab would be wonderful and additional storage space

Technology:

- In portables, projectors on carts should be wall mounted
- Projectors not bright enough in building A
- There are no smart boards in the classrooms

Support Space:

- Attempt to lock campus down during school only
- Distance to single occupancy toilet an issue. Only one in administration area
- Teacher workroom, lounge, administration is dated
- No staff devices, previous laptops were refurbished
