

Site Meeting Notes

Meeting Date: 11/29/17

Subject: Santiago ES Meeting Notes

Meeting Location: Santiago ES

Project: SVUSD Facilities Master Plan 2019

PBK Project No.: 17331

Site:

- Circulation and traffic are large concerns and two entry/exit points would help – especially with pick-up
- Tree branches falling
- Remediate campus-wide flooding
- Improve exterior lighting
- Only one (1) portable
- Wood trellis has termite damage
- HVAC needs to be repaired or replaced
- Would like added landscape
- Casework is old and needs to be replaced
- Backstop at baseball field needs replacement
- Path of travel to lunch area is very steep
- Would like two (2) shade structures at lunch area

Next Generation Classroom:

- Needs general storage for miscellaneous items
- Teacher work rooms are mostly storage and 1 on 1 learning
- Smartboards are old and should be replaced with TV's
- A/V systems in CR's should be replaced
- Would like dedicated music room
- Reconfigure layout of classrooms
- Would like to create outdoor learning spaces where there are currently large dirt areas and closing in quads

Technology:

- Replace A/V system in MPR

Support Space:

- Would like mirrors in restrooms
- Add disposal containers at girls restrooms (sanitary)
- Install theater-quality lighting in MPR
