

Site Meeting Notes

Meeting Date: 11/30/17

Subject: Trabuco ES Meeting Notes

Meeting Location: Trabuco ES

Project: SVUSD Facilities Master Plan 2019

PBK Project No.: 17331

Site:

- Add more exterior site lighting
- Security cameras cannot see kids leaving on the East side of campus - add more security cameras
- Perimeter fencing is falling down
- Barbed wire is falling off (Wildlife)
- The ball walls have holes/needs repaired
- Need shelter for recess and lunch during inclement weather
- Fabric on lunch shelters is in poor shape
- Need greenhouse for indoor plants
- Would like to grow wheat grass/food on site for animals
- Water bottle filler for field study kids
- Focus on sustainability/green
- Solar
- Rainwater harvesting/cistern

Next Generation Classroom:

- Compositing (to teach kids)
- Wall-to-wall white boards are needed

Technology:

- Wi-Fi so kids can use tablet on farm
- Classrooms needs new technology besides smart boards
- Need charging units/carts for Chromebook's
- Adequate Chromebooks but need more iPad's for K-12

Support Space:

- No MPR (Families and students) without breaking down library
