

DEL LAGO ELEMENTARY SCHOOL

27181 Entidad, Mission Viejo, CA 92691

Site Description

Del Lago is located in the city of Mission Viejo, educating students from kindergarten through 6th grade. Del Lago opened its doors in 1980.

Del Lago has highly trained teachers and support staff, involved parents, and supportive business and community leaders who have made a significant difference at Del Lago through volunteer and financial support of school programs and equipment. Parent fundraising and volunteerism through our Parent Teacher Association (PTA) help to underwrite technology equipment, fine arts experiences, hands-on science investigations, social studies simulations, library/media, performing arts productions, and assemblies. Community service projects are an integral part of student-supported activities.

The Del Lago community remains committed to high expectations for all children, including those from diverse cultural and linguistic backgrounds, those with gifted and talented abilities, and those with special needs.

We believe that when all stakeholders are working together toward the same vision, the systems are in place for our students to reach their highest potential.
