

Safety

Robert Craven

Assistant Superintendent, Business Services

Definitions

HAZARD: Any situation or thing capable of causing harm or damage

EXPOSURE: Proximity to hazard

RISK: The possibility of harm or damage

THREAT: A hazard exposure with a likelihood of harm

VULNERABILITY: *Exposed to the possibility of being harmed.*

Hazards

- **Active Violence Event**

- **Biohazard / Infectious Disease**

- Bomb
- Chemical Release
- Drought

- **Earthquake**

- **Fire/Wildfire**

- Flood/Tsunami/Dam Failure
- Hostage

- Water Contamination

- **IT Attack/Failure**

- Missing Persons
- Nuclear/Radiological Release
- Riot/Protest/Civil Unrest
- Terrorism/Hate

- **Utility Outage**

- Vector
- Storm

Campus Vulnerability Assessment Elements

- Perimeter:** *Definition, Stand-off, Barrier*
- Entrance:** *Surveillance, Screening, Staff Wearing ID*
- Environment:** *Area, Neighbors, Crime*
- Hazmat Storage:** *storage, cabinets, labeled, etc.*
- Physical Plant:** *Construction, Maintenance*
- Knowledge:** *Students, Staff, Documentation*
- Supervision:** *Staff, SRO*
- Exercise:** *Emergency drills*
- Emergency Areas:** *On Evac, Off Evac, Cache*
- Pathways:** *Obstructed, Trip hazard, etc.*
- Emergency Equipment:** *Bleed Care, Cache*
- Building Safety Systems:** *Alarms, CCTV, PA*
- Signage:** *Evacuation, Emergency Procedures*
- Seismic Bracing:** *Cabinets, Bookcases, etc.*
- Relationships:** *Student to Student, Staff to Student*

Recommendations

1. Close gaps in perimeter barriers.
2. Enhance CCTV systems to include approach surveillance.
3. Upgrade emergency equipment to include Bleed Care Kits.
4. Enhance staff emergency response training.
5. Enhance emergency response protocols and exercise methods.
6. Enforce use identification badges by staff and visitors.
7. Monitor trees and hillsides for signs of concern.

Upcoming Projects

1. Perimeter fencing and closing gaps at identified school sites
2. A.I. enhanced perimeter video surveillance pilot program
3. Expanding and revising training
4. Supply orders and replenishment

Recent Safety Measures

1. Grant from OC Supervisors to pilot video surveillance and additional radios
2. Narcan at secondary school sites and awaiting delivery to send to elementary sites
3. Tabletop exercises for all secondary schools individually and elementary in groups
