

Reopening Update #28; April 15, 2021

Dear SVUSD Families,

We're excited to welcome students back for additional on-campus learning beginning this Monday, April 19th! As I shared with you in [Update #27](#), the fuller opening will look different at each level and as a reminder, **tomorrow, Friday, April 16, all Hybrid TK-6 students will be at home learning through a full asynchronous day.**

Elementary Schools (TK-6)

Elementary students currently enrolled in the Hybrid model will be returning to school full-time for on campus instruction. Elementary full distance learning will continue.

Secondary Schools (7-12)

Secondary students currently enrolled in the Hybrid model will be able to return to campus 4 days a week, following the currently established bell schedule. Full distance learning is still available with our concurrent model and will remain the same. If you are interested in changing models, please contact your school site directly. Changes will only be made if space permits.

Special Education Programs

Please click [here](#) for additional information regarding our Special Education programs.

Health & Safety

I'd like to remind all families that we continue to adhere to all health and safety guidelines established by the California Department of Public Health (CDPH) and Orange County Health Care Agency (OCHCA). These measures include face coverings required for everyone, daily temperature checks, physical distancing, use of outdoor and flexible learning spaces, air purification systems, handwashing/hand sanitizing stations, and increased disinfecting practices and protocols. All students must complete a self-check for COVID-19 symptoms at home each day before arriving on campus. This shared responsibility is critical to our ability to keep schools open for in-person learning. The student symptom check can be found in [English](#) and [Spanish](#).

We encourage you to visit the SVUSD website at <https://www.svusd.org> for additional information and resources, including the SVUSD COVID-19 Dashboard. Additionally, this [FAQ](#) (https://docs.google.com/document/d/1VT5JVrNQVlc5Ob0OJNVLC_QhCgBw16kjlLRKdDczAIY/edit?usp=sharing) answers questions regarding SVUSD COVID-19 protocols.

You may be curious as to what the classrooms will look like and I'd encourage you to access [this folder](#) with pictures from some of our sites that reflect updated classroom set ups.

Finally, I'd like to once again thank our staff for the incredible amount of work they've done all year to serve our students, and especially over the last few weeks in preparation for bringing students back for more on-campus time. They truly are #svusdheroes.

Thank you,

Crystal Turner, Ed.D.
Superintendent
