

Reopening Update #8; August 17, 2020

Dear Parents and Staff,

We want to hear more about how we can create a successful learning environment for our students in the 2020-2021 school year from your perspective. This information will help inform our Learning Continuity and Attendance Plan, which is a new state required plan to address student learning during this school year.

SVUSD is focused on the following priorities and we welcome your feedback about how we are doing in these particular areas:

- In-Person Instructional Offerings
- Distance Learning
- Pupil Learning Loss
- Mental Health & Social Emotional Well-Being
- Pupil Engagement and Outreach
- School Nutrition

We will be using your thoughts to capture your voices and perspectives as the plan is developed. We are using a new way to gather input called Thoughtexchange. This platform will allow for everyone to share their suggestions so we can gain a better understanding of what's most important to our SVUSD community.

Please share your thoughts and then rate at least 20-30 of the thoughts that others have shared. Your participation is confidential, so no one will know who shared or rated which thoughts. Please come back often until August 23rd to rate new ideas.

Thank you for your contribution. Your input is a critical part of our focus on priorities in support of student success. Here are some helpful tips to remember:

- This exchange is confidential. Your thoughts will be shared, but not your identity.
- Please be polite and respectful as you share and rate thoughts.
- If you see a thought that is rude, hurtful or identifies a person or group, you can report it by clicking in the upper right corner of the thought.
- You do not need to rate all thoughts in this exchange. It is appreciated and recommended to rate around 30 over the time that the exchange is open.

This exchange will close on Sunday, August 23rd at 11:59 PM.
