FOR IMMEDIATE RELEASE

SADDLEBACK VALLEY UNIFIED SCHOOL DISTRICT WILL PROVIDE FULL DAY KINDERGARTEN ACROSS DISTRICT FOR 2019-2020

Mission Viejo, Calif. (December 19, 2018) -----The Saddleback Valley Unified School District (SVUSD) is excited to announce that Full Day Kindergarten will be offered at all SVUSD elementary school sites beginning in the 2019-2020 school year.

In addition to the current rigorous kindergarten program, Full Day Kindergarten increases time for research-based instruction on both developmental and social skills. SVUSD Superintendent, Dr. Crystal Turner, shares, “Trying to fit in all that needs to be taught, both academically and developmentally in only half a day of instruction is difficult. Full Day Kindergarten offers teachers more time to meet student needs and has been an ongoing request from our parent community. We appreciate the collaboration with our teachers and value the partnership between SVUSD and the Saddleback Valley Educators Association that allowed for the creation of this opportunity for all kindergarten students in the 2019-2020 school year!”

The offering of Full Day Kindergarten is the latest example of how the Saddleback Valley Unified School District continues to fulfill its mission of “SV Innovates”, focusing on intentional lesson design and engaging strategies, supported through innovative practices. Please contact your individual school site for additional details.
